## Disclaimer

Registrants understand that the material presented at the Annual Meeting has been made available under sponsorship of the International Society of Hair Restoration Surgery (ISHRS) for educational purposes only. This material is not intended to represent the only, nor necessarily the best, method or procedure appropriate for the medical situations discussed, but rather is intended to present an approach, view, statement or opinion of the faculty which may be of interest to others. As an educational organization, the ISHRS does not specifically approve, promote or accept the opinions, ideas, procedures, medications or devices presented in any paper, poster, discussion, forum or panel at the Annual Meeting. Registrants waive any claim against ISHRS arising out of information presented in this course.

Registrants understand and acknowledge that volunteer patients have been asked to participate in the Annual Meeting sessions for educational and training purposes. Registrants shall keep confidential the identity of, and any information received during the Annual Meeting regarding, such volunteer patients.

Registrants further understand and agree that they cannot reproduce in any manner, including, without limitation, photographs, audiotapes and videotapes, the Annual Meeting sessions. All property rights in the material presented,

including common law copyright, are expressly reserved to the presenter or to the ISHRS. The sessions may be audio, videotaped, or photographed by the ISHRS.

Registrants also understand that operating rooms and health care facilities present inherent dangers. Registrants shall adhere to universal precautions during any Course, Workshop, or Session that they attend that may utilize cadaveric specimens, cadaveric material or sharps, and that any contact they may have with cadaveric specimens or cadaveric material shall conform to all proper medical practices and procedures for the treatment of patients for whom no medical history is available. In the event that one incurs a needle stick injury, cut, or other exposure to blood borne pathogens, the person shall immediately notify the Course, Workshop, or Session Director and the ISHRS and take such other follow-up measures as deemed appropriate.

By attending this program, in no way does it suggest that participants are trained and/or certified in the discipline of hair restoration surgery. All speakers, topics, and schedules are subject to change without prior notification and will not be considered reasons for refund requests.

Registrants agree to abide by all policies and procedures of the ISHRS. Registrants waive any claim against ISHRS for injury or other damage resulting in any way from course participation.

## Message from the President

Welcome to Montreal and the 16th Annual Scientific Meeting of the ISHRS. Our program chair, Arthur Tykocinski MD (São Paulo, Brazil), and his committee have put together a fantastically innovative and exciting educational program. You will hear from a multidisciplinary, international faculty of clinicians, scientists and

researchers. The modern hair restoration technique may have reached unprecedented levels of naturalness and refinement, but there still so much to learn, achieve and advance.

The Annual Scientific Meeting is the cornerstone of the ISHRS, and I am confident that this year we will once again provide you with a world-class international forum for information exchange and rapid diffusion of new and innovative surgical techniques, instrumentation technology, medical therapies, scientific advancements and biotechnology. The ISHRS was born in 1993 out of recognition by field leaders around the world for a professional society that would help hair restoration specialists share scientific and clinical knowledge and assure that scientific, clinical and ethical standards of hair restoration surgery are maintained at the highest professional level.

This is the 3rd Annual Meeting since our accreditation by the Accreditation Council for Continuing Medical Education (ACCME) enabling us to directly offer you *AMA PRA Category 1 CME Credits™*. We are immensely proud and appreciative of the hard work that has gone into this, culminating this year in achieving ACCME reaccreditation with commendation. This is a very special distinction and the highest level a provider can receive and means we are accredited for the next 6 years.

Montreal is an exciting and beautiful venue for our meeting. It is the second largest city in Canada but holds on to the character of a smaller town. Montreal is a mixture of old and new with its rich history and French culture. This makes it ideal to uphold our Annual Meeting tradition of unrivalled learning experience with great opportunity to socialise and have fun with old and new friends.

Warmest regards,

Bessam K. Farjo, MD, President  
International Society of Hair Restoration Surgery

## Message from the Program Chair

Welcome to the beautiful city of Montreal!

On behalf of the Annual Scientific Meeting Committee, I am pleased to present to you this annual meeting. We have worked hard for more than a year to put together a top-notch meeting. I wish to thank my dedicated committee who each has put in

countless hours from reviewing abstracts and participating on conference call to organizing their own courses and tending to the myriad of planning details.

This year we have both traditional sessions that include lecture format as well as new sessions with different formats to provide debate and more live interaction. Please, you are encouraged to participate - tell us your opinion and viewpoints, or ask questions. We learn from each other.

I hope we could all learn a lot and improve our performance in practice and as a result, have very satisfied and happy patients. After all, that is what our profession is about.

I also wish to thank our corporate supporters whose generosity allow us to put on a superb meeting. These companies are dedicated to advancing the art and science of hair restoration, and we value their support.

Best regards,

Arthur Tykocinski, MD, Chair  
2008 Annual Scientific Meeting Committee

# GENERAL INFORMATION

## Continuing Medical Education (CME) Credit

The International Society of Hair Restoration Surgery is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The International Society of Hair Restoration Surgery designates this educational activity for a maximum of 30.50 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The International Society of Hair Restoration Surgery's 16th Annual Scientific Meeting (program #611-100) is recognized by the American Academy of Dermatology for 30.50 hours of AAD Category I CME credit and may be used toward the American Academy of Dermatology's Continuing Medical Education Award.

## Continuing Medical Education Mission Statement

**CME Purpose** The purpose of the International Society of Hair Restoration Surgery's (ISHRS) CME program is to meet the educational needs of its members and close the gap that exists between current and best practices by providing practice-oriented, scientifically-based educational activities that will maintain and advance skills and knowledge as well as promote lifelong learning for its members. CME activities will result in improvement of physician competence and performance in practice.

**Content Areas** The curriculum of the ISHRS's CME program includes but is not limited to hair transplantation, alopecia reduction surgery, hair biology and physiology, congenital and acquired alopecias, other hair and scalp related ancillary procedures and disorders, and risk and practice management. (ISHRS Core Curriculum of Hair Restoration Surgery and Core Competencies of Hair Restoration Surgery). Content is determined by the integration of various sources of needs, including gaps in knowledge and/or performance of hair restoration surgeons, national guidelines, emerging research, and expert opinion.

**Target Audiences** The target audiences of the ISHRS are as follows:

- The primary target audience is its physician members with varying medical specialty backgrounds from around the world.
- Secondary audiences for the CME program include non-member physicians, as well as residents, nurses, surgical assistants and other allied health personnel.

The ISHRS recognizes the importance of and encourages international and interdisciplinary exchange of medical knowledge and practice through calls for papers, and invitations to interdisciplinary and international speakers with special expertise.

**Types of Activities** The activities that support the CME mission are diverse and multifaceted, in order to provide multiple approaches for knowledge acquisition. CME offerings include the following:

- Annual Meeting, which may include didactic and hands-on courses, live surgery workshops, seminars, scientific sessions, and poster presentations.
- Other activities include regional live surgery and didactic workshops, enduring materials, and Internet CME.

All CME activities will be cost-effective and will meet the criteria for continuing medical education of the ACCME and the AMA Physician's Recognition Award.

**Expected Results** The CME program will result in improved performance in practice (such as surgical skills) and competence (medical knowledge and ability) among its participants. All participants will be expected to provide written feedback following all educational activities, and the CME Committee will rely on this feedback as well as other methods to assess the effectiveness of educational efforts and direct changes in its CME Program.

**Learner Objectives** Within this program learner objectives are listed within the Day-by-Day program for each segment of the General Session. Course and Workshop learner objectives are listed by their descriptions.

## VIDEO, PHOTOGRAPHY & AUDIO RECORDING POLICY

Video recording and/or photography are prohibited in all educational sessions. Under no circumstances are video, digital or still cameras to be utilized in the educational sessions. Violators will have their cameras/equipment confiscated until the end of the meeting on Sunday. Audio recording for personal use only is permitted (i.e., for gathering information and NOT for rebroadcast or reproduction). Photography of scientific material is prohibited. **The only exception to the photography policy are photos taken by the official ISHRS photographer for purposes of podium photos to use in ISHRS publications.**

## CELLULAR PHONE/PAGER POLICY

The use of cellular phones and pagers in the General Session, Workshop and Course rooms is prohibited. Attendees must either turn off or vibrate cellular phones and pagers.

## SPEAKER DISCLOSURES OF CONFLICTS OF INTEREST

All presenters are required to verbally disclose at the podium (or indicate on poster presentations) as well as complete a form disclosing relevant grants or other financial support; consultancies; organizational affiliations; family; departmental or personal financial involvement; patent rights; and other relevant conflicts of interest pertaining to their topic. Such disclosures are also published in the Abstract Book provided onsite at the meeting. The ISHRS follows its approved Policy on Collection and Resolution of Conflicts of Interest (COI) for all presenters and planners.

## OBTAINING CME CREDITS & CERTIFICATES

Physicians will receive in their registration packets a form called "CME Credits Claimed Form." Physicians should indicate the number of CME hours they are claiming on this form and turn-in the white copy (top copy) to a collection box located near the Registration Desk. Keep the pink copy (bottom copy) for your files. Appropriate credit for attendance should be ascertained and reported by individual physicians to the particular state or medical society to which he/she belongs.

**AAD Members** – For those that subscribe to the American Academy of Dermatology (AAD) Transcript Program, you must submit an attendance validation "Green Card". We will mail your green card to the AAD after the meeting. If you did not bring a Green Card with to this meeting, you may mail it directly to the AAD when you return.

Physicians will receive a personalized Certificate of Attendance for CME **mailed after the meeting**. Physicians will only receive a CME certificate if the CME Credits Claimed Form is completed. Ancillary staff will receive a Certificate of Attendance mailed after the meeting.

## EVALUATION SURVEYS

The CME Committee and Annual Meeting Committee kindly request that you complete the evaluation surveys for each workshop, course and general session that you attend. Your feedback is very valuable to us! We make changes to the program and faculty based on your comments so we may continually improve the Annual Meeting. **Each day we are raffling a certificate worth \$250.00 (USD) off of an ISHRS meeting held in the next 2 years** for those that turn in their completed General Session evaluation surveys.

An online Overall Evaluation survey will be conducted the week after the meeting in which a link and passcode will be e-mailed to each attendee. The questions on the Overall Evaluation will be different than on the session evaluations, so we ask that you complete the paper forms at the meeting and the online form after the meeting. Thank you for your participation.

## FUTURE ISHRS ANNUAL SCIENTIFIC MEETINGS

## RULES AND PROPER ETIQUETTE

The Annual Scientific Meeting is an educational activity. Attendees are expected to maintain professional etiquette and extend proper courtesies. Inappropriate behaviors will not be condoned. The meeting should not be used as an opportunity for solicitation of other physicians' staff or other unethical, inappropriate, and distasteful activities. It may seem obvious, but it is inappropriate and rude to make negative or soliciting comments to the live patients in the various sessions. Negative or disparaging comments about a patient's results to the patient are offensive, psychologically hurtful, and violate our ethical commitment to "do no harm." Patients who agree to show their postoperative results, as well as the doctors who bring them, deserve our respect and support for their willingness to subject their results to scrutiny and contribute to our learning experience.

Soliciting business in the meeting rooms or meeting area hallways is prohibited. Only registered exhibitors, in the Exhibit Hall, may solicit business. There will be no distribution of handouts, flyers or promotional items other than the official Abstract Book and workshop/course handouts, or other than exhibitor items in the exhibit hall. Any handout or flyer intended for the handout table by the registration desk must be pre-approved by the ISHRS Executive Director. Any unapproved handouts will be removed

and discarded. Inappropriate postings on the message boards will be removed and discarded. Inappropriate postings on the message boards will be removed and discarded.

It is vital for the doctors to discuss their complications and show patient photos. Public disclosure of a specific doctor's complications or patients is prohibited. There are ongoing debates in any field of evolving science, and disagreement between professionals is expected. However, inflammatory or inappropriate criticism of any specific ISHRS doctor's or assistant's lecture that has been made in good faith and according to the ethical standards of our Society is prohibited.

The timing of any private social functions must be approved by the ISHRS.

The purpose of these guidelines is not to suppress free speech or to conceal items from the public; rather, it is to encourage a free exchange among doctors without worries that anything said or done will be used against them by a competitor. All doctors have complications at various times, but it takes a special form of integrity to discuss them before a large group of colleagues. By the same token, we understand that most of the non-medical promotional professionals in our field provide a helpful public service while pursuing their business interests. We hope this communication between us will be on a high professional level that will benefit both the field and the patients.

# The Next Generation of Laser Hair Therapy

The new X5 is the only device to offer direct scalp contact to avoid light loss to existing hair. The unique design also features cordless operation and a patented membrane system that conforms to the user's scalp. There's also a built-in timer and digital display.

Despite these advances, the X5 is available at the most affordable price. Visit us at booth 11 to see it for yourself.

## Toppik® Makes Thin Hair Look Thick and Natural in 30 Seconds.

Now you can instantly eliminate the appearance of baldness and thinning hair. Toppik gives you greater coverage and a thick, full looking head of hair – all in about 30 seconds!

You simply shake the color-matched fibers over thinning areas. These keratin protein fibers have the same organic makeup as your own hair so they naturally make your hair thicker and fuller in less than 30 seconds. Toppik is recommended by doctors because it is completely safe and works with all medical treatments.

*"I recommend Toppik in my medical practice. I find this product safe, easy to use and remarkably natural." - Dr. Dow Stough, Hair Transplant Surgeon*

Many A-list celebrities use Toppik to enhance their image, on screen and off. Hollywood stars trust Toppik. It's undetectable, even in close-ups and stays on through wind, rain and perspiration.

**Toppik comes in 8 shades to match any hair color.**

☐ Black ☐ Dark Brown ☐ Medium Brown  
☐ Light Brown ☐ Blond ☐ Auburn  
☐ Gray ☐ White

**Call Ruth at: 1- 888-221-7171 ext. 25**

5:00PM-7:00PM **Ancillary Meeting: ABHRS Recertification  
Exam**

6:00PM-10:00PM **BLS & CPR Recertification Course**  
(ticket required)

8:00PM-10:00PM **Ancillary Meeting: ABHRS Board of Directors  
Meeting** (invitation only)

## Thursday/September 4, 2008

6:00AM-5:00PM **Registration**

6:00AM-6:00PM **Speaker Ready Room**

6:30AM-7:00PM **Exhibits with Silent Auction & Internet Café**  
*The Internet Café is generously supported by a grant from  
Hair Club for Men.*

6:30AM-7:00PM **Poster Viewing**

7:00AM-5:30PM **Annual Giving Fund VIP Lounge** (Trustee Circle)

7:00AM-8:30AM **Surgical Assistants Cutting/Placing  
Workshop A** (ticket required)

7:00AM-8:30AM **Workshops: 101, 102, 103, 104**  
(ticket required)

9:00AM-10:30AM **Surgical Assistants Cutting/Placing  
Workshop B** (ticket required)

9:00AM-10:30AM **Workshops: 111, 112, 113, 114** (ticket required)

**6:30AM-8:00PM Opening Session**

Moderator: Arthur Tykocinski, MD

*Learning Objective: Review methods of problem solving,  
creating thinking, and thinking "outside of the box."*

11:00AM-11:07AM Program Chair opening remarks  
Arthur Tykocinski, MD

11:07AM-11:14AM Presidential Address  
Bessam K. Farjo, MD

11:15AM-11:30AM Tribute to Jim Arnold Lecture  
William H. Reed, II, MD

11:30AM-12:30PM **Lunch and ISHRS General Membership  
Business Meeting** (for all registered attendees,  
included with paid registrations)

# DAY-BY-DAY PROGRAM

## 12:30PM-1:30PM Novel Surgical Techniques

Moderator: Jerry E. Cooley, MD

*Learning Objective: Identify advantages and disadvantages of various surgical techniques and surgical pearls.*

12:30PM-12:32PM Moderator Introduction  
Jerry E. Cooley, MD

12:33PM-12:40PM Controlled Trichophytic Closure Dissection with a Ledge Knife  
Carlos J. Puig, DO

12:41PM-12:48PM Robotic-Assisted Harvest of Follicular Units  
Miguel G. Canales, MD

12:49PM-12:56PM Planing off Inferior Edge in Frechet & Rose Trichophytic Closure  
Dae-young Kim, MD, PhD

12:57PM-1:04PM Presentation a New Technique in Eyelash Restoration  
Mohsen Piroozhashemi, MD

1:05PM-1:12PM Knotless Layered Single Suture Scalp Closure  
Jaime Recasens, MD, PhD

1:13PM-1:20PM My Experience with Long Hair Transplantation Preview  
Marcelo Pitchon, MD

1:20PM-1:30PM Q&A

## 1:35PM-2:35PM Red Flags in Hair Restoration

Moderator: Mario Marzola, MBBS

*Learning Objectives:*

- Identify patient characteristics in the initial consultation that may predispose them to intra-operative or post-operative complications
- Recognize surgical limitations in marginal candidates and develop appropriate treatment plans for these patients.
- Assess the psychosocial aspects of hair loss to enhance patient consultations and promote a holistic approach to the treatment of hair loss patients.
- Recognize patients who present with body dysmorphic disorder.

1:35PM-1:37PM Moderator Introduction  
Mario Marzola, MBBS

1:38PM-1:58PM **Featured Guest Speaker: Norwood Lecturer**  
Body Dysmorphic Disorder: How to Identify and Deal with Such Patients  
J. Kevin Thompson, PhD

1:59PM-2:06PM Female Patients  
Paul C. Cotterill, MD

2:07PM-2:14PM Donor Vascular Damage  
E. Antonio Mangubat, MD

2:15PM-2:22PM Expectations vs. What Can be Offered in Hair Transplant Surgery  
Antonio Ruston, MD

2:22PM-2:35PM Q&A

### AGF VIP LOUNGE HOURS:

Thursday/September 4, 2008:  
7:00AM-5:30PM

Friday/September 5, 2008:  
9:00AM-5:00PM

*Need a place to relax, network, and refuel during the meeting?*

*The ISHRS Annual Giving Fund VIP Lounge is just the spot!*

Join the Annual Giving Fund at the Trustees Circle donor level and receive exclusive VIP Lounge access at the ISHRS Annual Scientific Meetings. The AGF VIP Lounge provides a private space to conduct business, network, check your e-mail, or just have a refreshing beverage or snack during the ISHRS 16th Annual Scientific Meeting.

**To receive VIP Lounge access**, donate to the ISHRS Annual Giving Fund at the Trustee Circle donor level. Go to: <http://www.ishrs.org/ishrs-giving-fund.htm> or visit the Registration Desk.

# DAY-BY-DAY PROGRAM

2:35PM-3:00PM	<b>Coffee Break/Visit the Exhibits &amp; View Posters</b> <i>Generously supported by a grant from Merck &amp; Co., Inc.</i>
3:00PM-3:28PM	<b>Controversies I: Exclusively FU vs. FU and MFU</b> Moderator: William R. Rassman, MD <i>Learning Objective: Compare and contrast treatment plans on various patients utilizing solely follicular units versus follicular units and multiple follicular unit grafts to achieve density and naturalness.</i>
3:00PM-3:02PM	Moderator Introduction William R. Rassman, MD
3:02PM-3:07PM	"Exclusively FUs" side of debate: Jeffrey S. Epstein, MD, Robert H. True, MD, MPH. Jerry Wong, MD
3:08PM-3:13PM	"FUs and MUGs" side of debate: Paul M. Straub, MD, Mohammad Humayun Mohmand, MD, Arturo Sandoval-Camarena, MD
3:13PM-3:28PM	Debate/Discussion

3:30PM-4:35PM	<b>Advances in Hair Biology</b> Moderator: Dow B. Stough, MD <i>Learning Objective: Discuss various research projects on the subject of hair, and how they may impact therapies or treatments for hair loss.</i>
3:30PM-3:32PM	Moderator Introduction Dow B. Stough, MD
3:33PM-3:53PM	Update on Research in Hair Loss and Hair Restoration Kenneth J. Washenik, MD, PhD
3:54PM-4:14PM	<b>Featured Guest Speaker: Advances in Hair Biology Lecturer</b> The Influence of Hair Care Techniques on the Development of Alopecia Victoria Holloway Barbosa, MD, MPH, MBA <i>The Advances in Hair Biology Lectureship is generously supported by a grant from Bosley.</i>
4:15PM-4:23PM	Genetic Testing for Androgenetic Alopecia: How useful is it? Sharon A. Keene, MD
4:24PM-4:35PM	Q&A
4:40PM-5:30PM	<b>Optimum Cosmesis for the Recipient Site</b> Moderator: Bernard P. Nusbaum, MD <i>Learning Objectives:</i> <ul style="list-style-type: none"> <li>Describe various methods and surgical techniques for achieving natural appearing hairlines and cosmetic density based on considerations of gender, hair/scalp color &amp; characteristics, patient goals and economics.</li> <li>Discuss issues of optimum cosmesis for the recipient site.</li> </ul>
4:40PM-4:42PM	Moderator Introduction Bernard P. Nusbaum, MD
4:43PM-4:50PM	A Practical Guide for Temporal Restoration on Male Pattern Alopecia Melvin L. Mayer, MD
4:51PM-4:58PM	3-D Organic Hairline Concept in Hair Restoration Surgery Arthur Tykocinski, MD
4:59PM-5:06PM	Temporal Points - Our Experiences in Consideration of Esthetical Aspects Frank G. Neidel, MD
5:07PM-5:14PM	Naturally Occurring Density in Hairline Areas: Letting Nature Direct our Technical Efforts Sharon A. Keene, MD
5:15PM-5:30PM	Q&A
5:30PM-7:00PM	<b>Welcome Reception</b> (in exhibit hall)
7:30PM	<b>Ancillary Meeting: Hair Foundation Donor Appreciation and Partner Event</b> (invitation only)

**DATE: Thursday/September 4, 2008**  
**TIME: 5:30PM-7:00PM**  
**FEE: No extra fee required.**  
**LOCATION: Exhibit Hall**

## Welcome Reception

Join us for a time to socialize and unwind after an invigorating first day of the meeting. The Welcome Reception is a great opportunity to spend time talking with exhibitors and reviewing their products and services in a relaxed atmosphere. Be sure to take time to check out the great silent auction items that are scattered throughout the exhibit booths...look for the big helium balloons that mark the auction items. This event is open to all meeting attendees, their guests, and exhibitors.

*We gratefully acknowledge Merck & Co., Inc. for its generous support of the meeting that enabled us to offer this reception.*

# DAY-BY-DAY PROGRAM

## Friday/September 5, 2008

8:00AM-5:15PM	<b>Registration</b>
6:00AM-6:00PM	<b>Speaker Ready Room</b>

		4:20PM-4:30PM	Q&A
		5:30PM-7:00PM	<b>President's Annual Giving Fund Reception</b> (ticket required)

## FRIDAY NIGHT COCKTAIL HOUR!

**DATE:**  
Friday/September 5, 2008

**TIME:**  
5:30PM-7:00PM

**LOCATION:**  
Auberge Le Saint-Gabriel in Old Montreal (shuttle service provided)

**FEE:**  
2 tickets included with Trustee Circle and Leadership Circle AGF donation levels; Tickets for purchase are \$85 per person (\$35 for children under 18)

## PRESIDENT'S ANNUAL GIVING FUND RECEPTION

**All are welcome to the second Annual Giving Fund Reception,** hosted by the ISHRS President. Please join us for cocktails and hors d'oeuvres as we celebrate the generosity of our members and highlight the AGF supported initiatives and projects. For those who are not members of the AGF, perhaps you are interested to learn what the AGF is about. We welcome you to join us at the Auberge Le Saint-Gabriel for a cocktail hour with ISHRS friends and colleagues.

The reception will take place offsite at Auberge Le Saint-Gabriel. Established in 1754, in the days of New France, Auberge Le Saint-Gabriel is officially regarded as the oldest inn in all of North America. It was granted Quebec's

first ever liquor license by the British colonial government in 1769. More than two centuries later, the inn continues to remain an important part of Montreal's history. Auberge Le Saint-Gabriel was used during the nineteenth century as a private residence for one of the country's first millionaires, Dolly Hart. Although it no longer operates as an inn, it is now one of Montreal's finest restaurants, offering "nouvelle cuisine" made by the country's great chefs from the best products Quebec has to offer.

**Tickets** can be purchased for \$85.00 per person. Two (2) tickets are included with Trustee and Leadership Circle donation levels.

**Shuttle Transportation:** A shuttle service from the hotel will be provided. A return shuttle from the Auberge Le St. Gabriel will also be provided upon conclusion of the reception at 7:00 p.m. However, you may want to remain in Old Montreal for dinner and to explore this historic area. Look in your registration packet for a list of restaurants near Auberge Le St. Gabriel in case you would like to make dinner reservations (or you may wish to make dinner reservations at Auberge Le St. Gabriel- phone: 514.878.3561).

**To donate** to the ISHRS Annual Giving Fund and to view the list of priority projects and initiatives being funded, go to: <http://www.ishrs.org/ishrs-giving-fund.htm>. We truly appreciate your support!

# DAY-BY-DAY PROGRAM

## Saturday/September 6, 2008

7:45AM-4:00PM **Registration & Silent Auction Cashier/Pick-up**

7:45AM-3:00PM **Speaker Ready Room**

7:45AM-1:00PM **Exhibits & Internet Café**

7:45AM-12:00PM **Poster Viewing**

### 8:00AM-8:45AM **Breakfast with the Experts**

*Open to all attendees on a first-come, first-served basis. This is an informal session for small groups to discuss a specific topic. Come with your questions. Round banquet tables will be set-up in the General Session room. Each table will be labeled with a topic and expert's name. Get your breakfast from the Exhibit Hall and then sit at a table of choice to have "breakfast with an expert."*

#### Table Leaders and Topics:

Samir Abu Ghoush, MD  
Transplanting Facial Hair

Marco Barusco, MD  
Consultation and Patient Selection

Michael L. Beehner, MD  
Isolated Frontal Forelock

Paul C. Cotterill, MD  
Female Hair Restoration

Mark S. DiStefano, MD  
Hairline Design

Bessam K. Farjo, MD  
Advances in Hair Culture

James A. Harris, MD  
FUE

Francisco Jimenez, MD  
Hair Disorders

John Ohanesian  
Practice Management

### 9:00AM - 9:58AM **Donor Strip Harvesting**

Moderator: Melvin L. Mayer, MD

#### Learning Objectives:

- Identify new methods, tools, and techniques to estimate and maximize donor yield.
- Explain the importance of and identify methods to assess donor elasticity to prevent donor closure problems or to remove the maximum width for super megasessions.

9:00AM-9:02AM Moderator Introduction  
Melvin L. Mayer, MD

9:02AM-9:09AM Mayer Scale  
Melvin L. Mayer, MD

9:10AM-9:17AM Hair Transplant Donor Site Wound Closure Tension and the Effects of Age, Scalp Elasticity, and Donor Strip Width  
Thomas Yee, MD

9:18AM-9:25AM How to Minimize Donor Scar in Wide Strip Excision  
Damkerng Pathomvanich, MD

9:26AM-9:33AM Tips for Trichophytic Closure  
Paul T. Rose, MD, JD

9:34AM-9:41AM Interrupted Donor Extraction  
Arturo Sandoval-Camarena, MD

9:42AM-9:49AM Managing Wide Donor Strips from 1.7 to 2.5cm  
Jerry Wong, MD

9:50AM-9:58AM Q&A

*Ellis*

# DAY-BY-DAY PROGRAM

**DATE:**  
Saturday/September 6, 2008

**TIME:**  
7:00PM-12:00AM

**FEE:**  
\$95.00 per person

**LOCATION:**  
Le Grand Salon, Fairmont

Join us  
for this special  
Gala Dinner,  
planned with a  
touch of  
Montreal flair!

The evening will begin with the Québécois sound of a local Montreal band, followed by a later evening DJ dance set. Join your colleagues for dining, dancing, and entertainment in the Grand Salon of the Fairmont The Queen Elizabeth. The Golden and Platinum Follicle Awards will be presented. The dress code is black tie, or if you prefer, as a tradition of the ISHRS, you may wear a costume reflective of your native country.

Tickets are required for entry and must be purchased in advance (see registration form). A small supply of tickets will be available onsite for purchase until Wednesday/September 3, 2008, or while supplies last. No corporate support is received for the Gala Dinner/Dance.

Please note: Tickets to the Gala are non-refundable due to the guaranteed reservation that the ISHRS must make on behalf of the attendee.

## 10:00AM-10:30AM Controversies IV: Trichophytic Closure – Always vs. Sometimes

Moderator: Edwin S. Epstein, MD

*Learning Objective: Review the advantages and limitations of performing trichophytic closure technique in the donor area.*

10:00AM-10:02AM Moderator Introduction  
Edwin S. Epstein, MD

10:03AM-10:08AM "Trichophytic Closure - Always" side of debate:  
Robert S. Haber, MD, Mario Marzola, MBBS,  
William H. Reed, II, MD

10:09AM-10:14AM "Trichophytic Closure - Sometimes" side of debate:  
Robin Unger, MD, Michael L. Beehner, MD, William  
R. Rassman, MD

10:15AM-10:30AM Debate/Discussion

## 10:30AM-10:45AM Coffee Break/Visit the Exhibits & Poster Inquiry Session

## 10:45AM-11:45AM Complications II

Overall Moderator: Marcelo Pitchon, MD

*Learning Objective: Discuss complications pertaining to cases involving coronal technique, dense packing, and young patients.*

10:45AM-10:46AM Moderator Introduction  
Marcelo Pitchon, MD

10:46AM-11:05AM **Coronal Technique**  
Topic Moderator: Jennifer H. Martinick, MBBS

10:46AM-10:51AM Complication on Coronal Technique  
Jerry Wong, MD

10:51AM-10:56AM Complication on Coronal Technique  
Thomas Nakatsui, MD

10:56AM-11:05AM Discussion/Q&A

11:05AM-11:25AM **Dense Packing**  
Topic Moderator: William M. Parsley, MD

11:05AM-11:10AM Complication on Dense Packing  
Michael L. Beehner, MD

11:10AM-11:15AM Complication on Dense Packing  
Ronald L. Shapiro, MD

11:15AM-11:25AM Discussion/Q&A

11:25AM-11:45AM **Young Patients**  
Topic Moderator: James E. Vogel, MD

11:25AM-11:30AM Complication on Young Patients  
Sungjoo Tommy Hwang, MD, PhD

## ISHRS Collaboration with Hair Foundation

The ISHRS is pleased to announce its collaboration with the Hair Foundation on the ISHRS's Operation Restore Program. The Hair Foundation will now be the fundraising arm for the O.R. program for major corporate donors. With this collaboration we will be able to better spread the word about O.R. so we can help more people who are in need. The Hair Foundation is dedicated to providing truthful, unbiased information about hair care, hair loss, and hair replacement.

For more information on Operation Restore go to: [www.ishrs.org/ishrs-pro-bono.htm](http://www.ishrs.org/ishrs-pro-bono.htm)

For more information on the Hair Foundation go to: [www.hairfoundation.org](http://www.hairfoundation.org)

**HAIR FOUNDATION**  
promoting hair health

## ISHRS Regional Workshops Program

Physician Members! Consider hosting a live surgery workshop through the ISHRS's Regional Workshops Program. This is an excellent opportunity for members to "partner" with the ISHRS to offer a live surgery or didactic workshop in their region. All ISHRS Physician Members in good standing are eligible to submit an application.

The CME Committee oversees the process and the Board of Governors approves applications. The annual application **submission deadline is June 1** for a workshop to take place the following year.

The complete guidelines and application are available by contacting the ISHRS headquarters office or online at

[www.ishrs.org/members/member-workshop.php](http://www.ishrs.org/members/member-workshop.php).

## ISHRS Affinity Program with Amerinet

The ISHRS is working with Amerinet, a national group purchasing organization, to provide ISHRS members in the U.S. discounts on countless office and surgical products and services. For a membership fee of \$375 per quarter per location, ISHRS members can take advantage of the complete product and service agreements in each area.

Interested in learning more? Contact Emily Hughes, Regional Manager, Amerinet/HRS at 206-583-6516, toll-free at 800-842-6663, or e-mail [Emily.Hughes@amerinet-gpo.com](mailto:Emily.Hughes@amerinet-gpo.com). Or visit the ISHRS website, Members Only section.

**Amerinet**  
Delivering a Network of Solutions

# FEATURED GUEST SPEAKERS

## Zoe Diana Draelos, MD

*Dermatology Consulting Services, High Point, North Carolina*

Zoe Diana Draelos is a board certified dermatologist in private practice and a Primary Investigator for Dermatology Consulting Services, a company she founded in 1988 to provide education, perform adverse reaction evaluation, and conduct clinical studies in association with the pharmaceutical and cosmetics industry. Her research interests include cosmetics, toiletries, and biologically active skin medications. She has been the recipient of numerous research grants and has served as Principal Investigator on more than 150 clinical trials. She is also a contributor to the medical literature, with more than 200 articles and 25 book chapters to her credit. She is the author of several textbooks and serves on many editorial boards.

Dr. Draelos is a fellow and past board member of the American Academy of Dermatology and also holds membership in the American Dermatological Association, the Society for Investigative Dermatology, the American Society of Mechanical Engineers, among others. She is a past board member for the Society for Dermatologic Surgery. A former Rhodes Scholar, Dr. Draelos has been the recipient of many awards and honors in recognition of her professional and academic accomplishments. She was recently given a Lifetime Achievement Award for her research from Health Beauty America, a professional skin care and cosmetics industry organization.

**Dr. Draelos will speak on "Preventing Unnecessary Female Hair Loss" as well as teach the lunch symposium on "Hair Cosmetics."**  
**Saturday/Sept. 6, 1:15PM Session**

## David A. Whiting, MD

*Clinical Professor of Dermatology and Pediatrics, University of Texas Southwest University, Dallas Texas; Medical Director, The Hair and Skin Research and Treatment Center, Baylor University Medical Center, Dallas, Texas*

David Whiting is Clinical Professor of Dermatology and Pediatrics at Southwestern Medical School and is in private dermatologic practice in Dallas, Texas. He graduated in medicine at the University of the Witwatersrand, Johannesburg, South Africa in 1953. His internships were followed by some years of postgraduate study in Britain. He spent eight years in Family Practice before taking up Dermatology in 1966. He was Chairman of Dermatology at the Johannesburg General Hospital prior to his appointment as Chief Dermatologist at the Veterans Administration Medical Center in Dallas in 1977. He has practiced and taught dermatology and dermatopathology at Baylor University Medical Center from 1979 until the present. One of his major research interests has been the study of hair abnormalities. He is the Medical Director of the Hair Research and Treatment Center, at Baylor. As a result, he has gained wide experience in the diagnosis and treatment of hair and scalp disorders. He is boarded in Dermatology and Dermatopathology in the U.S.A. and in Internal Medicine in Great Britain. He is a Fellow of the American College of Physicians and of the Royal College of Physicians of Edinburgh.

**Dr. Whiting will speak on "Histopathology of Scarring Alopecia."**  
**Saturday/Sept. 6, 1:15PM Session**

## NORWOOD LECTURE

*The Norwood Lecture was established by the ISHRS Board of Governors to honor the immense contributions of O'Tar T. Norwood, MD, co-founder of the ISHRS and founder of the Hair Transplant Forum International.*

## J. Kevin Thompson, PhD

*Professor of Psychology, University of South Florida, Tampa, Florida*

J. Kevin Thompson is a professor of psychology at the University of South Florida, where he has been since 1985. He received his PhD from the University of Georgia in 1982. His research interests for the past 25 years have concentrated on body image disturbances and eating disorders. He has published over 100 journal articles, 20 chapters, and six books on these topics, including: *Body image disturbance* (1990), *Body image, eating disorders and obesity* (1996), *Exacting Beauty: Theory, assessment and treatment of body image disturbance* (1999), *Body image, eating disorders and obesity in youth* (2001), *Handbook of eating disorders and body image* (2004), and *The Muscular Ideal* (2007).

**Dr. Thompson will speak on "Body Dysmorphic Disorder: How to Identify and Deal with Such Patients."**  
**Thursday/Sept. 4, 1:35PM Session**

## ADVANCES IN HAIR BIOLOGY LECTURE

*The Advances in Hair Biology Lecture is generously supported by a grant from Bosley.*

## Victoria Holloway Barbosa, MD, MPH, MBA

*President, Dermal Insights, Inc. Assistant Professor, Department of Dermatology, Rush University*

Victoria Holloway Barbosa is an Assistant Professor in the Rush University Department of Dermatology where her areas of expertise include hair disorders and skin of color. She is also the President of Dermal Insights, Inc., a company she founded to educate, inspire and advise students, scientists and corporations in the areas of cosmetic and dermatologic science. This work stems naturally from her seven years as a cosmetic industry executive. As a former vice president in Research & Development at L'Oréal USA, Dr. Barbosa built and directed the L'Oréal Institute for Ethnic Hair & Skin Research. She led a team of physicists, chemists and biologists conducting basic-science research to discover the unique properties of the hair and skin of people of African descent worldwide.

Dr. Barbosa received her bachelor's degree from Harvard University and her medical degree cum laude from the Yale University School of Medicine. She completed an internship in internal medicine at the Massachusetts General Hospital and a dermatology residency at Yale. Dr. Barbosa also holds a Master of Public Health degree from Johns Hopkins School of Hygiene and Public Health and a Master of Business Administration degree from Northwestern University's Kellogg School of Business. Dr. Barbosa serves on the Board of Trustees of Dillard University, on the Board of Directors of National Medical Fellowships, and is a member of the Institute of Medicine's Roundtable on Health Disparities.

**Dr. Holloway Barbosa will speak on "The Influence of Hair Care Techniques on the Development of Alopecia."**  
**Thursday/Sept. 4, 3:30PM Session**

# POSTER PRESENTATIONS

## Posters

### Room: Hochelaga 5/6

#### Set-up:

Wednesday/September 3, 2008  
12:00PM-7:00PM

Thursday/September 4, 2008  
6:30AM-10:00AM

#### Display Times:

Thursday/September 4, 2008  
6:30AM-7:00PM

Friday/September 5, 2008  
8:00AM-5:00PM

Saturday/September 6, 2008  
7:45AM-12:00PM

#### Dismantle:

Saturday/September 6, 2008  
12:00PM-1:00PM

The **Poster Inquiry Session** will be held during the morning coffee break of Saturday/September 6. During this session poster presenters should stand by their posters so they may answer questions from attendees.

The Scientific Research, Grants, and Awards Committee will review and rate the posters. Certificates of recognition will be awarded to the highest scoring posters on Saturday morning at the start of the General Session.

Posters should be disassembled between 12:00PM-1:00PM on Saturday/September 6. Posters remaining at the conclusion of the Annual Meeting will be discarded.

Kuniyoshi Yagyu, MD
- P38** **The Effects of EFUE on Hair Transplantation**  
Jack Yu, MD

**Learner Objectives — Upon completion of this session, you will be able to:**

**Opening Session**

Moderator: Arthur Tykocinski, MD

- Review methods of problem solving, creating thinking, and thinking "outside of the box."

**Novel Surgical Techniques**

Moderator: Jerry E. Cooley, MD

- Identify advantages and disadvantages of various surgical techniques and surgical pearls.

**Red Flags in Hair Restoration**

Moderator: Mario Marzola, MBBS

- Identify patient characteristics in the initial consultation that may predispose them to intra-operative or post-operative complications.
- Recognize surgical limitations in marginal candidates and develop appropriate treatment plans for these patients.
- Assess the psychosocial aspects of hair loss to enhance patient consultations and promote a holistic approach to the treatment of hair loss patients.
- Recognize patients who present with body dysmorphic disorder.

**Controversies I: Exclusively Follicular Units versus Follicular Units & Multiple Follicular Units**

Moderator: William R. Rassman, MD

- Compare and contrast treatment plans on various patients utilizing solely follicular units versus follicular units and multiple follicular unit grafts to achieve density and naturalness.

**Advances in Hair Biology**

Moderator: Dow B. Stough, MD

- Discuss various research projects on the subject of hair, and how they may impact therapies or treatments for hair loss.

**Optimum Cosmesis for the Recipient Site**

Moderator: Bernard P. Nusbaum, MD

- Describe various methods and surgical techniques for achieving natural appearing hairlines and cosmetic density based on considerations of gender, hair/scalp color & characteristics, patient goals and economics.
- Discuss issues of optimum cosmesis for the recipient site.

**INSTRUCTIONS:** In order to continue to improve, we would appreciate your objective evaluation of the Scientific Sessions. Please circle the rating. **If you have comments regarding a specific speaker or session, please write your comments in the space at the end of this survey and reference which speaker/topic.** Return this completed evaluation form to an evaluation box. Your responses above will remain anonymous. The ISHRS has commissioned an independent survey research firm, RH Research, to enter the data and summarize the results.

Thank you for participating!

**INCENTIVE FOR COMPLETING THIS SURVEY!**

All completed surveys with names will be entered into a daily drawing where one (1) winner each day will be randomly selected to receive a certificate for **\$250.00 (USD)** off of an ISHRS meeting in the next two years. Only registered attendees are eligible. One form per day per attendee.

If you would like to be entered into the drawing, print your name here: \_\_\_\_\_

**Learner Objectives — Upon completion of this session, you will be able to:**

**Interactive Movie Theater: Surgery in High Definition**

Moderator: Robert S. Haber, MD

- Discuss the prominent aspects of the cases including several techniques.

**Controversies II: Maximum Density (50-70FU/cm<sup>2</sup>) versus Cosmetic Density (35-45 FU/cm<sup>2</sup>)**

Moderator: Sharon A. Keene, MD

- Compare and contrast treatment plans in terms of density, graft survival, and patient satisfaction.

**Complications I**

Overall Moderator: Marcelo Gandelman, MD

Topic Moderators: Paul T. Rose, MD, JD, Glenn M. Charles, DO, and E. Antonio Mangubat, MD

- Discuss complications pertaining to cases involving follicular unit extraction, trichophytic closure, and avascular collapse in the donor area.

**Hairline Demonstration Panel**

Moderator: Russell Knudsen, MBBS

- Compare and contrast different surgeons' approaches to designing hairlines and temporal points.

**Controversies III: Big Follicular Unit Extraction Session versus Regular Strip Harvest Session**

Moderator: Jerzy R. Kolasinski, MD, PhD

- Compare and contrast treatment plans and limitations of exclusively FUE sessions versus regular strip harvest sessions.

**New Horizons**

Moderator: Alex Ginzburg, MD

- Discuss various research projects on the subject of hair, and how they may impact therapies or treatments for hair loss.

**INSTRUCTIONS:** In order to continue to improve, we would appreciate your objective evaluation of the Scientific Sessions. **Learner Objectives — Upon completion of this session, you will be able to:**

**Donor Strip Harvesting**

Moderator: Melvin L. Mayer, MD

- Identify new methods, tools, and techniques to estimate and maximize donor yield.
- Explain the importance of and identify methods to assess donor elasticity to prevent donor closure problems or to remove the maximum width for super megasessions.

**Controversies IV: Trichophytic Closure – Always versus Sometimes**

Moderator: Edwin S. Epstein, MD

- Review the advantages and limitations of performing trichophytic closure technique in the donor area.

**Complications II**

Overall Moderator: Marcelo Pitchon, MD

Topic Moderators: Jennifer H. Martinick, MBBS, William M. Parsley, MD, James E. Vogel, MD

- Discuss complications pertaining to cases involving coronal technique, dense packing, and young patients.

**Hair Transplantation in Women**

Moderator: Paul C. Cotterill, MD

- Discuss the diagnosis and treatment of common causes of scarring alopecia and female pattern hair loss.

**Live Patient Viewing**

Moderator: Arthur Tykocinski, MD

- Assess the results of real live patients from a variety of cases that utilized different approaches and techniques.

## Board Review Course

**Date:** Wednesday/September 3, 2008  
**Time:** 8:00AM-5:00PM (lunch on your own)  
**Fee:** \$495.00  
**Level:** Intermediate and Advanced

**Board Review Course Co-Chairs:** Carlos J. Puig, DO and Paul McAndrews, MD

C. Puig

P. McAndrews

The Board Review Course will provide an opportunity for hair restoration surgeons to review a range of topics that are representative of information that will be present on both the initial certification exam and the re-certification exam for the American Board of Hair Restoration Surgery (ABHRS). This course will also teach a methodology for preparing for and navigating the ABHRS written and oral examination. The presentations are intended to provide in depth or advanced information in topics such as the etiologies of hair loss, anatomy/histology of scalp and hair, medical treatments, donor and recipient area management, cell and gene therapy, anesthesia, and emergency interventions.

This course will also have the attendees run through numerous case scenarios to help the attendees hone their skills in preparing to take the oral exam part of the ABHRS Certification Exam. There will be ample opportunities for attendee participation and questions and answers.

At the meeting the attendees will also receive as part of the course registration fee the ISHRS

Basics Lecture Series CD-ROM enduring material that will extensively review vital information necessary to pass the ABHRS exam. Up to 9.0 AMA PRA Category 1 Credits may be earned for completion of the enduring material; instructions are included on the CD-ROM.

### Learning Objectives

Upon completion of this program you will be able to:

- Describe an organized strategy for studying for the ABHRS exam.
- Outline and describe a strategy for taking the ABHRS Oral exam.
- Outline the core content of the ABHRS examination
- Describe BLS, manage an airway, and use an AED.
- Discuss the pharmacology of medical therapy for hair loss
- Distinguish between the non-androgenetic etiologies of hair loss, recognize basic dermatologic conditions, and understand the medical treatments of hair loss.
- Describe the principles of donor site management and all major methods of graft production, recipient site creation, graft placement techniques, and methods for maximizing density.
- Explain to a patient the risk benefits of FU Transplantation vs. Follicular Unit Extraction
- Explain to a patient the risk benefits associated with a trichophytic closure donor area harvesting
- Describe to a examiner a trichophytic closure, FUE, FUT, Scalp Reduction, Juri Flap, and Frechet Flap
- Describe to an examiner the difference between tissue expansion and tissue extension
- Outline the anatomy, histology, and physiology of the scalp and hair follicle.
- Describe anesthesia used in hair restoration surgery.
- Identify the emergency interventions for hair restoration surgery.

## COURSE OUTLINE

7:30AM-8:30AM	<b>Continental Breakfast</b>
8:00AM-8:05AM	<b>Introduction &amp; Orientation</b> Paul McAndrews, MD & Carlos J. Puig, DO
8:05AM-8:35AM	<b>Test Taking Strategies</b> Carlos J. Puig, DO
8:35AM-9:55AM	<b>Advance Technologies Panel Discussions</b> FUE: James A. Harris, MD Trichophytic Closures: William M. Parsley, MD & Ronald L. Shapiro, MD Tissue Expansion & Flaps: E. Antonio Mangubat, MD
9:55AM-10:05AM	<b>Coffee Break</b>
10:05AM-11:35AM	<b>Medical Treatments – Lectures</b> Medical Therapies: Paul McAndrews, MD Lasers: David Perez-Meza, MD OTC's: Matt L. Leavitt, DO
11:35AM-12:30PM	<b>Female Hair Loss Work Up &amp; Non Androgenetic Hair Loss</b> Bernard P. Nusbaum, MD
12:30PM-1:15PM	<b>Lunch</b>
1:15PM-2:00PM	<b>Cell and Gene Therapy</b> Jerry E. Cooley, MD
2:00PM-2:30PM	<b>Overview of BLS with AED</b> Carlos J. Puig, DO
2:30PM-2:40PM	<b>Coffee Break</b>
2:40PM-4:30PM	<b>Oral Exam Scenarios</b> Carlos J. Puig, DO Paul McAndrews, MD Michael L. Beehner, MD Glenn Charles, DO Jerry E. Cooley, MD Bernard P. Nusbaum MD William M. Parsley, MD Robert True, MD, MPH
4:30PM-5:00PM	<b>Final Questions Open Discussion</b> Paul McAndrews, MD & Carlos J. Puig, DO

## Basic Life Support (BLS) & Cardiopulmonary Resuscitation (CPR) Recertification Course

**Date:** Wednesday/September 3, 2008  
**Time:** 6:00PM-10:00PM  
**Fee:** \$100.00

**Instructor:** Gary Schlybeurt

This course is designed to recertify individuals in cardiopulmonary resuscitation and basic life support. The principles of CPR and BLS will be reviewed and students will practice on mannequins before being tested to receive the recertification card. Students should wear comfortable clothes because they will be on the floor practicing CPR and BLS. The course will be taught by Mr. Gary Schlybeurt. Mr Schlybeurt has been a paramedic for the last 30 years. He also has been teaching emergency care for the last 26 years, to paramedics, police and fire

department personnel in the Montreal region. Mr. Schlybeurt is also an instructor trainer for the Canadian Heart Foundation for the last 24 years.

### Learning Objectives

Upon completion of the course you will be able to:

- Identify the signs of a heart attack and choking victim.
- Perform CPR and BLS per the universal standards.

# EXTRA COURSES

## Surgical Assistants Program

Date: Wednesday/September 3, 2008

Time: 11:30AM-5:30PM

Fee: No extra fee required, but we ask that you register for this program if you wish to attend so we can properly plan for food & beverage.

**Surgical Assistants Chair:**  
**Kathryn Lawson**

This year's program will cover all things related to hair restoration surgery. From the front office, to techniques, to tools...we will cover the many different ways that things can be and are done. The object of this year's program is to share and learn. There

will be something for everyone in your office. Join us in learning new techniques, revising old ones, and discovering new and interesting things you thought you knew about hair restoration.

Come and take part in this exciting program and attend the Surgical Assistants Business Luncheon as well, to learn how you too can make a difference in upcoming programs.

### Target Audience:

- Surgical Assistants and technicians new to the field of HRS
- Experienced HRS surgical assistants
- Consultants and office managers

## PROGRAM OUTLINE

11:30AM – 11:35AM	<b>Welcome and Introduction</b>	3:00PM – 3:15PM	<b>Eyebrows:</b> Emina Karamanovski
11:50AM – 1:00PM	<b>Surgical Assistants Business Meeting and Luncheon</b>	3:15PM – 3:35PM	<b>Break</b>
1:00PM – 1:20PM	<b>OSHA – Office Management:</b> Barbara Werner	3:35PM – 4:25PM	<b>Group Activity –</b> How much do we know, what do we do different, what do we do the same
1:20PM – 1:35PM	<b>Helpful hints and techniques for surgery:</b> Janna Shafer	4:25PM – 4:35PM	<b>Propecia / Finasteride:</b> Ailene Russell
1:35PM – 1:55PM	<b>Psychology of Hair:</b> Dr. Mohebi	4:35PM – 4:45PM	<b>Lasers:</b> Laurie Gorham
1:55PM – 2:15PM	<b>Total Patient experience:</b> Joan Spadafina	4:45PM – 5:00PM	<b>Cloning:</b> Margaret Dieta
2:15PM – 2:25PM	<b>Dr Edwin Epstein's 2-handed technique:</b> Video	5:00PM – 5:10PM	Post op care – discussion & Gillespie Clinic presentation of our on-line instructions
2:25PM – 2:40PM	<b>Advertising:</b> Denise Kernan	5:10PM – 5:20PM	<b>Alopecia – Exploring different types &amp; treatments:</b> Brandi Burgess
2:40PM – 2:55PM	<b>Ergonomics:</b> Patrick Tafoya	5:20PM – 5:30PM	<b>Wrap up:</b> <b>Final Questions &amp; Discussion</b>
2:55PM – 3:00PM	<b>Patient Etiquette:</b> TBD		

## Surgical Assistants Cutting/ Placing Workshops

**Date:** Thursday/September 4, 2008

**Times:** 7:00AM-8:30AM for A;

9:00AM-10:30AM for B

**Fee:** \$245.00

Learn to cut and place grafts of various sizes utilizing a variety of instruments and techniques. Compare and contrast the techniques of the faculty and other students. This is a hands-on environment using human cadaveric scalp tissue. Students will be assigned to small groups and will formally rotate among several stations: slivering, cutting, and placing. Faculty will share their pearls and helpful teaching aids for training staff.

This workshop has sold out the last two years, so this year we are offering the workshop twice (A and B) so more assistants have an opportunity to participate. A and B are the same workshop – you should only register for one. The workshop is taught at the surgical assistant level. It is open to assistants and physicians, however, only surgical assistant categories may advance register for this workshop. Enrollment for each workshop is limited to purposely maintain a low student to faculty ratio. Instruments will be provided and shared. Students may bring their own personal favorite instruments for their use during the workshop, if they wish.

### Learning Objectives

Upon completion of this program you will be able to:

- Compare various instruments used for the preparation and placing of grafts.
- Identify tools and techniques that improve ergonomics during graft dissection and placing.
- Identify helpful teaching aids in training staff.
- Demonstrate slivering, cutting, and placing grafts.

**Precaution Note:** This course will utilize human cadaver tissue and sharps. Although serological tests and results will be obtained for all specimens, Universal Precautions must be observed. See Attendee Agreement on the registration form. Scrubs are not mandatory, but you may wear scrubs for this workshop if you choose. Necessary disposable coverings will be provided including standard disposable latex gloves. **If you have an allergy to latex or glove powder, bring several sets of your own gloves.**

### FACULTY

#### Kathryn Lawson, Chair

Deanne Barron

Brandi Burgess

Lil Carr

Margaret Dieta

Julie Edwards

Marilynne Gillespie

Marcy Heasman

Denise Kernan

Tina Lardner

Wilson Mendoza

MaryAnne Parsley

Cheryl Pomerantz

Betsy Shea

Patrick Tafoya

### SCALP PREP & MEDICAL WASTE TEAM

The ISHRS would like to thank and acknowledge the volunteers who are dedicating their time and expertise to prep scalp tissue, instruments, and clean-up the courses and workshops utilizing cadaver tissue. We appreciate you! A special thank you goes to **Dr. Tom Kohn and his staff** for assisting us with the medical waste and sharps disposal.

The ISHRS gratefully acknowledges  
**A to Z Surgical, Ellis Instruments, Micro-Vid, and the faculty**  
for their generosity in loaning supplies and instruments for this workshop.

# EXTRA COURSES

## Basics Course in Hair Restoration Surgery

Date: Wednesday/September 3, 2008

Time: 9:00AM-4:30PM

(lunch on your own)

Fee: \$895.00

**Basics Course Co-Chairs: Melvin L. Mayer, MD and Alex Ginzburg, MD**

M. Mayer

A. Ginzburg

The Basics Course is a unique, hands-on experience with the overall emphasis on providing basic and core skills essential for the practice of safe, esthetically sound hair restoration surgery. This course is geared toward the novice level, but intermediate and advanced surgeons will also find the course useful as a refresher. Participants should already possess an understanding of hair and skin biology. Students will formally rotate through five stations, many of which will utilize human cadaveric scalp tissue, spending 55 minutes at each station. Enrollment is limited to purposely maintain a low student to faculty ratio.

At the meeting the attendees will also receive as part of the course registration fee the ISHRS Basics Lecture Series CD-ROM enduring material that includes 14 pre-recorded comprehensive lectures. Up to 9.0 AMA PRA Category 1 Credits may be earned for completion of the enduring material; instructions are included on the CD-ROM.

The registration fee includes a Physician Kit. The kit includes necessary supplies and instruments to participate in the course (e.g., variety of blades, needles, forceps). In addition, students may bring their own personal favorite instruments for their use during the course, if they wish.

**Precaution Note:** This course will utilize human cadaver tissue and sharps. Although serological tests and results will be obtained for all specimens, Universal Precautions must be observed. See Attendee Agreement on the registration form. Scrubs are not mandatory, but you may wear scrubs for this course if you

choose. Necessary disposable coverings will be provided including standard disposable latex gloves. **If you have an allergy to latex or glove powder, bring several sets of your own gloves.**

### Learning Objectives

Upon completion of this program you will be able to:

- Design integrated medical and surgical treatment plans, including hairlines and crowns, for patients between the ages of 16 and 65, who have Norwood-Hamilton patterns II through VII, taking into account both their current physical examination and potential for future hair loss.
- Calculate and administer an appropriate dose of medication for sedation and local anesthesia for hair restoration surgery, including the use of tumescent solution and high dose epinephrine solution.
- Harvest hair-bearing donor scalp with a minimum amount of follicular transection damage, and perform a trichophytic closure of the surgical wounds without tension.
- Prepare follicular unit grafts from donor tissue under magnification using strip and follicular unit extraction techniques with a minimum amount of transection damage to hair follicles.
- Prepare recipient sites for 1, 2, 3, 5, 6 & 7-hair grafts in both frontal, mid and posterior scalp with proper attention to exit angle, hair direction, depth of incision, and spacing, so as to attain a natural appearance and optimize hair growth.
- Place follicular unit grafts into 1mm to 1.5mm, coronal, sagittal, and perpendicular recipient sites.
- Identify, advise, and manage patients whose hair loss is not androgenic in etiology.

## STATION 1: Hairline & Crown Design

**Station Leader:**  
**Craig L. Ziering, DO**

Students will review several examples of different classifications of hair loss, male and female. Participants will draw treatment plans to include hairlines and crown whorls. Critiquing will be by the instructor and the others in the class.

C. Ziering

## STATION 3: Graft Preparation

**Station Leader:**  
**John D.N. Gillespie, MD**

Students will practice slivering strips and preparing grafts using microscopes, loops with backlights, and a variety of blades and instruments. Safe management of tissue will be demonstrated.

J. Gillespie

## STATION 5: Pathological Hair Loss

**Station Leader:**  
**Kenneth J. Washenik, MD, PhD**

Students will problem solve on case presentations to include patients with pathological, non-androgenetic hair loss. Slides will be used to stimulate discussion concerning work up, DDx, and appropriate surgical interventions.

K. Washenik

## STATION 2: Anesthesia & Donor Harvesting

**Station Leaders: Marcelo Gandelman, MD & Gabriel H. Krenitsky, MD**

M. Gandelman

G. Krenitsky

Students will learn how to administer near painless anesthesia by injecting on cadaveric scalp. Distraction tool, wands, and very small needles will be available for use by the participants. Students will practice calculating the size of the donor strip taking into account all of the variables, density, elasticity, curl, and color. Participants will practice harvesting tissue with single- and double-bladed knives. Safe management of tissue will be demonstrated.

## STATION 4: Site Preparation & Placement

**Station Leaders: Robert P. Niedbalski, DO & William H. Reed, II, MD**

R. Niedbalski

W. Reed

Students will create recipient sites on the cadaveric scalp tissue using several different blades and needles. They will also place grafts into these sites. Safe management of tissue will be demonstrated.

## Wrap-Up

Participants will come together at the end of the day with the entire faculty for questions and discussion on all material presented. In addition, at the start of the course a lecture on "Hair Restoration for Dummies – A Guide for Beginners" will be given by David Perez-Meza, MD.

The ISHRS gratefully acknowledges  
**A to Z Surgical, Ellis Instruments, Micro-Vid, and the faculty**  
for their generosity in loaning supplies and instruments for this course.

## LUNCH SYMPOSIUMS

# LLLT

# HAIR COSMETICS

M. Avram

### 201: Lunch Symposium on Low Level Light Therapy

**Date:** Friday/September 5, 2008

**Time:** 12:45PM-1:45PM

**Fee:** \$75.00

**Director:** Marc R. Avram, MD

**Faculty:** Nicole Rogers, MD

Over the past several years low level light therapy (LLLT) has become a popular modality in the treatment of male and female pattern hair loss. There has been enormous media interest generating increasing interest from our patients. This session will review the purported mechanism of action of LLLT on hair follicles, the safety of the devices, clinical experience, and review all peer reviewed literature published on the efficacy of LLLT. A ticket is required to attend this session. A deli lunch buffet will be available at the start of the session; the education will last 45 minutes (1:00PM-1:45PM).

#### Learning Objective

Upon completion of this program you will be able to:

- Explain to your patients the mechanism of action of LLLT on hair follicles and cite the peer reviewed literature on the efficacy of LLLT.

Z. Draelos

### 202: Lunch Symposium on Hair Cosmetics

**Date:** Saturday/September 6, 2008

**Time:** 12:00PM-1:00PM

**Fee:** \$75.00

**Director:** Zoe Diana Draelos, MD

This course was created to enhance the comprehension of hair cosmetics for hair transplant surgeons so they may better advise their patients. Topics will include:

- A basic overview of hair shaft anatomy and hair cosmetics.

- Overview of shampoos and conditioners – deep cleaning, hydrating, color protection, add body (thin hair), greasy hair, white hair (silver shampoo).
- How to deal with damaged hair – treatment options.
- Hair coloration – the differences of permanent and non-permanent colorations, natural and artificial, and colorations that work by deposit of metals in the hair structure. How they do work, limitations, side effects, tips for correct use. Options for men with white hair.
- An explanation of relaxers and other chemical treatments indicated for curly or frizzy hair, such as: how they work, advantages and risks, and problems when combining different chemical treatments.

A ticket is required to attend this session. A deli lunch buffet will be available at the start of the session; the education will last 45 minutes (12:15PM-1:00PM).

#### Learning Objectives

Upon completion of this program you will be able to:

- Explain the mechanism of action for shampoos and conditioners.
- List treatment options for damaged hair.

D. Perez-Meza

## Workshops

**Date: Thursday/September 4, 2008**

**Times: 7:00AM-8:30AM & 9:00AM-10:30AM**

**Fee: \$95.00 per workshop**

**Workshop Chair: David Perez-Meza, MD**

The workshop line up this year includes the most popular workshops from previous years along with fulfilling the needs of our members as a result of our educational needs assessment process. The workshops will provide opportunities for in-depth exploration and discussion of topics. Each workshop is 90 minutes and is designated as Beginner, Intermediate, Advanced, or All Levels. The workshop will be taught at the level in which it is designated. Workshops are open to physicians and interested surgical assistants and office staff, however, all workshops are taught at the physician-level.

Registration is required and will be confirmed on a first-come, first-served basis. As a member-benefit, only ISHRS members and member applicants may advance register for these workshops. Non-members may purchase tickets onsite, pending availability. The faculty listed are preliminary as of the date of the printing of this program. Directors and faculty are subject to change without prior notification to registrants, and will not be considered reasons for refund requests.

## Workshops At-A-Glance

### BANK 1: Thursday, 7:00AM-8:30AM

NUMBER	TITLE	DIRECTOR	LEVEL
101	Follicular Unit Extraction with Scalp and Body Hair	Mark S. Di Stefano, MD	Beginner
102	Hairline Design: Front, Laterals, and Crown	Ronald L. Shapiro, MD	Beginner & Intermediate
103	Scalp Dermatology	Francisco Jimenez, MD	All Levels
104	Difficult Cases for Hair Restoration Surgery	Bessam K. Farjo, MD	Intermediate & Advanced

### BANK 2: Thursday, 9:00AM-10:30AM

NUMBER	TITLE	DIRECTOR	LEVEL
111	Recipient Sites	Walter P. Unger, MD	Intermediate & Advanced
112	How to Avoid Poor Growth	Michael L. Beehner, MD	All Levels
113	How to Set-up a Successful Hair Restoration Practice	Alan J. Bauman, MD	Beginner
114	Hair Loss and Hair Restoration in Women	Robin Unger, MD	All Levels

# EXTRA COURSES

**BANK 1: Thursday, September 4, 2008 7:00AM-8:30AM**

## WORKSHOP 101

### Follicular Unit Extraction with Scalp and Body Hair

Director: Mark S. Di Stefano, MD

Faculty: James A. Harris, MD, Demir Ilter, MD, Paul T. Rose, MD, JD

Level: Beginner

This workshop has been designed to review current techniques of follicular unit extraction including scalp and body hair. This course is for beginners. The faculty will discuss and present different aspects of the FUE technique including: patient selection, donor harvesting, graft preparation and complications.

**Learning Objectives** Upon completion of this workshop you will be able to:

- Recognized the current indications of FUE including pros and cons as compared to strip harvesting.
- Discuss the different techniques of FUE.
- Recognize the indications of body hair.

M. Di Stefano

## WORKSHOP 102

### Hairline Design: Front, Laterals, and Crown

Director: Ronald L. Shapiro, MD

Faculty: Michael L. Beehner, MD, Jerry E. Cooley, MD, Jeffrey S. Epstein, MD, Vincenzo Gambino, MD, Robert S. Haber, MD, Thomas Kohn, MD, Paul J. McAndrews, MD, Humayun Mohmand, MD, William M. Parsley, MD, Bradley R. Wolf, MD

Level: Beginner & Intermediate

Hairline design is one of the most important aspects of the hair transplant surgery. It is the surgeon's signature. This workshop will review how to create and mark the natural hairlines: frontal, temporals and posterior (crown). The faculty will demonstrate the different aspects and reference points for the hairline design. The faculty will present lectures and also will include a "hand on" experience for the participants.

**Learning Objectives** Upon completion of this workshop you will be able to:

- Identify the different aspects of a natural frontal hairline.
- Customize the creation of the hairline for male patients.
- Recreate the widow's peak, lateral humps, frontal hairline and temporal points.
- Create a natural pattern and design in the crown.

R. Shapiro

## WORKSHOP 103

### Scalp Dermatology

Director: Francisco Jimenez, MD

Faculty: Ricardo Mejia, MD, Bernard P. Nusbaum, MD, Nina Otberg, MD

Level: All Levels

Hair loss is a problem that affects approximately 1.2 billion people around the world. This workshop will review different aspects of the diagnostic, evaluation and treatment of hair loss and scalp diseases such as scarring and non-scarring alopecias. Representative cases of each type of alopecia will be presented.

**Learning Objectives** Upon completion of this workshop you will be able to:

- Recognize and evaluate the different etiologies of hair loss.
- List the different treatment options for each type of alopecia.

F. Jimenez

## WORKSHOP 104

### Difficult Cases for Hair Restoration Surgery

Director: Bessam K. Farjo, MD

Faculty: Sheldon S. Kabaker, MD, Jerzy Kolasinski, MD, PhD, E. Antonio Mangubat, MD, James E. Vogel, MD

Level: Intermediate & Advanced

This workshop will provide real-world examples of challenging difficult cases for HRS, present representative examples of typical complications related to HRS, and provide strategies and surgical techniques to avoid complications. Various treatment options of difficult cases will be reviewed. Anyone who attends may bring photos of their difficult cases for review and discussion.

**Learning Objectives** Upon completion of this workshop you will be able to:

- Recognize and analyze different options and surgical techniques for complex reconstructive problems.
- Gain confidence in managing and communicating with patients about complications once they occur.
- Recognize ways to evaluate previous transplant patients with significant scarring in the donor or recipient areas with a view to improving cosmesis.
- Recognize how to deal with wound/donor healing complications such as widened donor scar, poor elasticity, hematoma, and neuroma.
- Identify and correct recipient area complications.

B. Farjo

## BANK 2: Thursday, September 4, 2008 9:00AM-10:30AM

### WORKSHOP 111

#### Recipient Sites

Director: Walter P. Unger, MD

Faculty: Jennifer H. Martinick, MBBS, Ronald L. Shapiro, MD, Arthur Tykocinski, MD, Jerry Wong, MD

Level: Intermediate & Advanced

We have new options and better instruments for the creation of the recipient sites; this is a critical step during hair transplant surgery. Various methods of recipient site creation will be discussed and demonstrated. This workshop will afford participants the opportunity to see how each faculty member performs his/her technique, why they prefer that particular technique, including its pros and cons in comparison to other techniques in terms of technical difficulty and cosmetic outcome.

W. Unger

**Learning Objectives** Upon completion of this workshop you will be able to:

- Understand the various types of recipient sites and the different tools used to create them (e.g., slits, slots, and punch holes).
- Comprehend the differences between perpendicular ("coronal") slits and parallel ("sagittal") slits and describe the various situations when these are optimally used.
- Compare and contrast follicular unit grafts and multi-follicular unit grafts and how the type of graft impacts the size of the recipient slit and therefore graft density.
- Identify patient characteristics that would enable use of "combination" grafting.
- Discuss how recipient site variables may impact the cosmetic outcome in terms of naturalness and hair density.

### WORKSHOP 112

#### How to Avoid Poor Growth

Director: Michael L. Beehner, MD

Faculty: Jerry E. Cooley, MD, William M. Parsley, MD

Level: All Levels

One of goals in hair transplant surgery is to obtain great and natural-looking results including nearly 100% hair growth and survival. But there are different factors that may impact the results following hair restoration surgery. This course will review some well-established aspects of graft care and manipulation to insure maximal growth and avoid poor growth including graft storage. In addition, this expert faculty will share their perspective on maximizing growth of grafts as it relates to their own individual practices on a daily basis and the prevention of poor growth.

M. Beehner

**Learner Objectives** Upon completion of this workshop you will be able to:

- Identify those factors of the hair transplantation procedure that can have an impact on hair graft growth and survival.
- Develop an awareness of the relationship between grafts survival and the following factors: donor harvest technique, hair graft preparation, storage media for grafts, graft storage temperature, effects of dehydration and manipulation, graft placement, and post operative regimens.

### WORKSHOP 113

#### How to Set Up a Successful Hair Restoration Practice

Director: Alan J. Bauman, MD

Faculty: Joan Spadafina

Level: Beginner

Developing a successful hair restoration practice goes well beyond the mastery of accurate diagnoses, prescribing effective medical treatments or performing safe and aesthetic hair transplants. Whether you are a beginner, or you are just 'beginning' to see the need for a more organized and sophisticated plan, this highly interactive workshop delivers an introduction to the key ingredients for success: From the basics – office layout, equipment, fees and patient flow – to critical factors that optimize your time, effort and energy and, most importantly, attract and retain quality patients. A list of valuable resources will be provided.

A. Bauman

**Learning Objectives** Upon completion of this workshop you will be able to:

- Become familiar with the personnel and office space necessary to run an efficient hair transplant office.
- What is needed and how to set up a hair restoration practice.
- List the equipment and instruments used in hair transplant surgery
- Explain the selection and training process for medical assistant staff.
- oLearn about the pre-op and post-op instructions given to patients.
- Discuss elements of the follow-up office visits for hair loss and hair transplant patients.

### WORKSHOP 114

#### Hair Loss and Hair Restoration in Women

Director: Robin Unger, MD

Faculty: Bernard P. Nusbaum, MD, Paul Shapiro, MD, Jeffrey S. Roth, MD, PhD

Level: All Levels

Many women suffer different types of hair loss and are seeking some type of treatment. It is important for the practitioner to recognize that female scalp hair loss is an entity separate from male scalp hair loss and involves different pathophysiological pathways. It is critical to rule out possible causes of hair loss in women to select the appropriate treatment. Hair restoration in women is different not just because the pattern of hair loss is different, but the aspects of post operational "shocking" and the psychological needs are different. Limitations in the donor area, as well as poor quality donor hair will also determine whether or not hair restoration surgery should be performed.

R. Unger

**Learning Objectives** Upon completion of this workshop you will be able to:

- Identify the special issues involved in the consultation of women experiencing hair loss.
- Describe the clinical aspects of female hair loss and their classification.
- State the differences between androgenetic alopecia and chronic telogen effluvium and the need for complementary examinations.
- List all the treatment options including cosmetic camouflage techniques.
- Evaluate the donor resources available.
- List the requirements for the selection of patients suitable for hair transplantation.
- Apply techniques for transplanting suitable females with hair loss including the following aspects: planning the procedure, the hairline design, managing the hair volume, and how to correct scars from cosmetic.

# EXHIBIT HALL

## Exhibitors

### Hochelaga Rooms 1-4

You are invited to visit the technical exhibit show at the 16th Annual Scientific Meeting in the Hochelaga Rooms 1-4, which are located adjacent to the General Session in the Grand Salon. Companies of interest to hair restoration surgeons will be displaying their products and services. Representatives will be available to answer questions. All coffee breaks will be served in the exhibit hall, and for your convenience, you will find an Internet Café in the back of the exhibit hall. Be sure to join us for the Welcome Reception in the exhibit hall on Thursday, 5:30PM – 7:00PM. Also, look for the ISHRS Annual Giving Fund Silent Auction items in the exhibitors' booths!

**Thursday/September 4, 2008**

6:30AM - 7:00PM

(with Welcome Reception 5:30PM - 7:00PM)

**Friday/September 5, 2008**

8:00AM - 5:00PM

**Saturday/September 6, 2008**

7:45AM - 1:00PM

We gratefully acknowledge Hair Club for Men for its generous support of the meeting that enabled us to offer this Internet Café.

### Internet Café

Check your e-mails or research a hair restoration surgery topic online at the ISHRS Internet Café, located in the Exhibit Hall.

**The following is a list of exhibiting companies and booth numbers, listed in alphabetical order by company name:**

## A to Z Surgical

25 Plant Ave.  
Hauppauge, NY 11788 USA  
Phone: toll-free (800) TIEMANN or  
toll (631) 273-0005;  
Fax: toll-free (800) 577-6050 or  
(631) 273-6199  
kenny@georgetiemann.com,  
www.atozsurgical.com  
Kenny Moriarty, Vice President  
**Booth #: 15**

Surgical instruments, microscopes, cutting surfaces, Boyd surgical chairs, newly developed products and more, all for hair restoration surgery. We are now carrying the HairDx test kits and have our new 2008 catalog available.

## American Board of Hair Restoration Surgery

18525 S. Torrence Avenue  
Lansing, IL 60438 USA  
Phone: (708) 474-2600,  
Fax: (708) 474-6260  
abhrr@sbcglobal.net, www.abhrr.org  
Peter B. Canalia, J.D., Executive Director  
**Booth #: 10**

The ABHRS is the only surgical certifying board devoted exclusively to examining and certifying physicians in the area of hair restoration surgery.

## Amerinet / HRS

1100 Olive Way, Suite 625  
Seattle, WA 98101 USA  
Phone: toll-free (800) 842-6663 or  
toll (206) 583-6516, Fax: (206) 625-7376  
austin.ross@amerinet-gpo.com,  
www.amerinet-gpo.com  
Austin Ross, Vice President  
**Booth #: 17**

Amerinet provides access to volume discounted pricing for medical supplies, office supplies and pharmaceuticals for ISHRS members within the USA. Amerinet is a proud supporter of ISHRS.

## Anagen Staffing & Solutions

1111 Spring Street, Suite G3  
Silver Spring, MD 20910 USA  
Phone: (301) 589-1147,  
Fax: (301) 589-1167  
aharris@anagenstaffing.com,  
www.anagenstaffing.com  
Al-Tariq Harris, President/ CEO  
**Booth #: 31**

Anagen Staffing & Solutions is an unparalleled provider of professional medical staffing and training services for physicians and companies in the Hair Restoration Industry.

## Angiotech

100 Dennis Drive  
Reading, PA 19606 USA  
Phone: toll-free (877) -991-1110 or  
toll (610) 404-1000,

# MONTREAL: TOURS & SIGHTS

## Montréal And Its Many Attractions

Situated on an island, Montréal is one of the most cosmopolitan cities in North America. Its unique geographical location, from the majestic banks of the St. Lawrence River to the hillsides of Mount Royal, has greatly contributed to its socio-economic and cultural development. Montréal is renowned worldwide for its excellent quality of life. As the second largest French-speaking city in the world, it enjoys a very international outlook. Its rich history and natural beauty have captivated visitors as much as its cultural activities and busy rhythm of life.

Visitors are struck by the "joie de vivre" which makes this charming city famous. Downtown Montréal is not only where people work, it's also where they live and play. Montréalers really know how to live, with a passion for fabulous food, exciting nightlife and making every day a celebration. From the cobblestone streets and historic architecture in Old Montréal, to sleek office towers and shopping downtown, Montréal really stands out. Even beneath the main streets of downtown Montréal, an underground city of 20 miles of walkways gives you access to some 1,700 boutiques, restaurants, theatres, and cinemas all linked to a fast and efficient metro subway system. This makes Montréal one of the biggest indoor cities in the world.

You'll also experience a plethora of delights in music, theatre, dance, art exhibits, nightlife, cuisine, shopping and more...all merging in an exciting mix of traditional and avant-garde. The circus arts are also popular in Montréal, as it is home to the world famous Cirque du Soleil.

With so much to discover, you don't want to miss Montréal! For more information on Montréal and

all it has to offer, visit [www.tourisme-montreal.org](http://www.tourisme-montreal.org), the website of Montréal Tourism. You may also call them at (514) 873-2015 or toll-free at (877) BONJOUR (266-5687).

### A few areas to visit:

#### Old Montréal

Old Montréal is a historic and lively neighborhood. It is located along the St. Lawrence River, a five minute walk from downtown. The historical district is a key part of the city's cultural and economic life; around 4,000 people live here, and more than 35,000 travel to it daily to work. Offering dining, sidewalk cafes, boutiques, galleries, street artists and entertainers, wonderful experiences and unforgettable moments are in store for you in Old Montréal.

#### Crescent Street

In the middle of it all is Crescent Street, the heart of downtown Montréal. For tourists and locals alike, this tiny strip, running from Sherbrooke to Rene-Levesque, is the heart and soul of the city. Famous for its terraces, trendy restaurants, fine dining and bustling nightlife, the street is also lined with specialty shops, designer boutiques and cafes. A wonderful sense of hospitality characterizes this street. When the sun sets you can find it all here, from live music to dancing with the best DJ's in the city - Crescent is the street that loves to party.

#### Saint-Catherine Street

This is Montréal's renowned commercial thoroughfare stretching across the city. It is lined with major department stores, shops and restaurants.

## JOIN THE FUN...

**DISCOVER MONTREAL ON THE  
ISHRS GROUP CHARTER TOUR:**

### The Classic Bonjour Montréal City Tour

**DATE: Saturday/September 6, 2008**

**TIME: 2:30PM-5:30PM**

**FEE: \$38.00 per person, adult or child**

***Enjoy this exclusive, three hour introduction to the history and passionate culture of this cosmopolitan city. Among the fascinating visits planned are:***

- St. Joseph's Oratory is literally Montréal's crowning glory. Perched high atop Mount Royal, the oratory beckons to visitors of all faiths.
- The winding cobble streets and charming historic buildings of Old Montréal meld past and present together as the sounds of a vibrant modern city blend with the echoes of a proud history.
- Sainte-Helene and Notre Dame Islands, site of the World's Fair in 1967, and now where celebrities and locals place their bets at the Casino de Montréal, and cheer for the fearless drivers at the Grand Prix racetrack.
- Notre Dame Basilica's regal exterior is matched by its awe-inspiring interior, replete with ornate sculpted wood interior and stained glass windows that tell the story of the tiny colony that grew into the great city of Montréal.
- The "Golden Square Mile," with its blend of elegant nineteenth century mansions and post hotels, is where Montréalers live in high style.
- Mount Royal Park is the city's favorite playground, offering nature at its most respondent in the middle of the city's urban core.
- The Latin Quarter is a hot spot for gastronomy, culture and festivals. With its Victorian row houses and unique outdoor staircases, this area is home to trendy restaurants, cafes and clubs.

## Here are just a few places of interest in Montreal:

### Marché Bonsecours

350 Rue Saint-Paul Est, Old Montréal  
Phone: 514-872-7730;  
[www.marchebonsecours.qc.ca](http://www.marchebonsecours.qc.ca)  
Marché Bonsecours is the proud showcase for Quebec artists, designers and artisans. It houses fifteen boutiques including the Quebec's Craft Council, which offers original creations at the artisan's price. Come watch glass-blowing artists at work in the GOGO Glass boutique, and enjoy Quebec-grown products in the three restaurants and café-terrasses.

### Pointe-à-Callière

350 Place Royale, Old Montréal  
Phone: 514-872-9150; [www.pacmuseum.qc.ca](http://www.pacmuseum.qc.ca)  
Rising above authentic remains of the birthplace of Montréal, Point-à-Callière offers a unique archeological underground tour. It whisks you off on a spectacular voyage combining the past with the latest technology.

### Montréal Biodôme

4777 Pierre-De-Coubertin Avenue  
Phone: 514-868-3000; [www.museumsnature.ca](http://www.museumsnature.ca)  
Since it first opened in 1992, some 14 million visitors have traveled through this "house of life," dazzled by the discoveries that await them along a path reflecting a concept unique in the world. Here, plants and animals by the thousands, cliffs and waterways, even the climate itself recreate with stunning realism the four finest ecosystems of the Americas.

### Montréal Tower/Olympic Park

4141 Pierre-De Coubertin Avenue  
Phone: 514-252-4737; [www.rio.gouv.qc.ca](http://www.rio.gouv.qc.ca)  
Built for the 1976 Summer Olympic Games, the Olympic Stadium is the Park's Centerpiece, a bold design by French architect Roger Taillibert. It is impressive in size and shape and is topped by the tallest inclined tower in the world. Visitors can ride a funicular-type elevator to the top three observation floors of the tower for a superb view of Montréal and its surroundings.

### Mount Royal Park

via Camillien-Houde Parkway from the east or Remembrance Road from the west  
Phone: 514-843-8240; [www.lemontroyal.qc.ca](http://www.lemontroyal.qc.ca)  
The splendid, 250 acre Mount Royal Park, inaugurated in 1876, was planned by Frederick Law Olmsted, the highly skilled designer of many parks in the U.S. including New York's Central Park. The park is an ideal site for admiring a wide variety of plants and birds, and there are plenty of trails to take you on walking and biking excursions. Two illustrious cemeteries and the famous St. Joseph Oratory flank the mountain.

### Quays of the Old Port of Montréal

de la Commune Street  
Between the St. Lawrence River and Old Montréal  
Phone: 514-496-7678 or 800-971-7678;  
[www.quaysoftheoldport.com](http://www.quaysoftheoldport.com)  
The Quays of the Old Port of Montréal is a 2.5 km long recreational and tourist park and offers a variety of outdoor activities for every taste, including cruises, excursions, exhibitions, events and entertainment. It also offers a wide range of indoor activities, especially at the Montréal Science Centre.

### Ile Notre-Dame (Notre Dame Island)

Parc Jean Drapeau  
Phone: 514-872-6120;  
[www.parkjeandrapeau.com](http://www.parkjeandrapeau.com)  
Two bridges connect Ile Sainte-Helene to Ile Notre-Dame, which is home to year-round events and activities. For a few days in June, racing fans flock here for the Grand Prix of Canada. Visitors can enjoy the magnificent Floralis gardens, a preferred spot for flower and plant lovers at the island's center, as well as pedal boat rides on its network of canals.

### Montréal Museum of Fine Arts

1379-1380 Sherbrooke Street West  
Phone: 514-285-2000 or 800-899-6873; [www.mmfa.qc.ca](http://www.mmfa.qc.ca)  
Founded in 1860, the Montréal Museum of Fine Arts is one of Canada's oldest art museums, and through the years, it has become one of the country's most important art institutions. Its encyclopedic permanent collection represents all types of arts from Antiquity to today, and is among the most impressive in North America.

### Musée D'Art Contemporain de Montréal (Montreal Museum of Contemporary Art)

185 Sainte-Catherine Street  
Phone: 514-847-6226; [www.macm.org](http://www.macm.org)  
Canada's premier contemporary art museum.

### Casino de Montréal

1 du Casino Avenue, Parc Jean-Drapeau  
Phone: 514-392-2746 or 800-665-2274;  
[www.casinos-quebec.com](http://www.casinos-quebec.com)  
Strikingly poised on the Ile Sainte-Helene (Saint Helene Island) in the former French and Quebec pavilions of the Expo 67, the Casino de Montréal offers over 3,000 slot machines, 120 gaming tables and a dazzling atmosphere. The Casino is also home to the Cabaret and four restaurants to suit every taste.

### Visit Quebec City – (day trip)

The capital of the province of Quebec, Quebec City, is located about 150 miles northeast of Montréal. This beautiful, historical city is celebrating its 400th anniversary this year. Quebec City, situated on the Saint Lawrence River, is the second oldest existing European settlement in Canada. This historic city is divided by steep bluffs into Upper Town, which includes the old quarter, and Lower Town. Perched atop Cap-Diamant, the old quarter is the only walled city in North America and is a UNESCO World Heritage Site. It is worth a visit, if you have time before or after the meeting. Grayline Montréal is one of the many providers of coach tours to Quebec City. You may obtain further information at their website: <http://www.coachcanada.com/montrealsightseeing>.

# OTHER GENERAL INFORMATION

## OFFICIAL LANGUAGE AND SIMULTANEOUS INTERPRETATION

The official language of the meeting is English. This year the ISHRS is proud to offer simultaneous interpretation from English to Japanese in the general sessions each day. (This will not include the optional workshops, courses or the surgical assistants program.) There is no additional charge for this service.

## MEETING ATTIRE

Suggested attire throughout each meeting session and social activity is business attire. For the workshops/courses utilizing human cadaveric specimens, you may wish to wear scrubs, but it is not mandatory. Attire for the Saturday evening Gala Dinner/Dance is black tie or if you prefer, as a tradition of the ISHRS, you may wear a costume reflective of your native country for the Gala Dinner.

## PERSONS WITH DISABILITIES

The ISHRS fully complies with the legal requirements of the Americans with Disabilities Act (ADA) and the rules and regulations thereof. If any participant in this educational activity is in need of support services, please notify the headquarters office at 630-262-5399 as soon as possible, and preferably before August 20, 2008.

## CANCELLATION/REFUND POLICY

Registration fees, less a \$50.00 administration fee, will be refunded upon written notice of cancellation to the ISHRS office received on or before August 4, 2008. After August 4, 2008 there will be no refund of fees for cancellation or for lack of attendance without notification. It is your responsibility to ensure that your cancellation request has been received by the ISHRS headquarters office. "No shows" who have not pre-paid will be invoiced for the total registration fee.

## TICKETS FOR RECEPTIONS/MEALS

Tickets are not required for the following:

- Wednesday Surgical Assistants luncheon. This is included in the surgical assistants registration fee, however, you must register for this program during the registration process.
- Thursday Annual Business Meeting Luncheon. All registered attendees (except exhibitors) are welcome to attend, both members and non-members. This meal is included with your main registration fee.
- Thursday Welcome Reception. All registrants and their spouses are welcome to attend.

Tickets are required for the following:

- Friday Lunch Symposium
- Friday President's Annual Giving Fund Reception at Auberge Le St. Gabriel
- Saturday Lunch Symposium
- Saturday Gala Dinner/Dance

For ticketed events that are NOT included with your registration, you may opt to buy them separately on the registration form. You will receive your tickets in your registration packet.

## HOTEL INFORMATION

The Fairmont The Queen Elizabeth  
900 Rene Levesque Blvd. W.  
Montreal, Quebec, CANADA H3B 4A5  
Phone: 514-861-3511  
Guest Fax: 514-954-2296

## PAST-PRESIDENTS, AWARD WINNERS, RESEARCH GRANT RECIPIENTS, FELLOWSHIP TRAINING DIRECTORS

### Past-Presidents:

Paul C. Cotterill, MD	2006-2007
Paul T. Rose, MD, JD	2005-2006
E. Antonio Mangubat, MD	2004-2005
Mario Marzola, MBBS	2003-2004
Robert S. Haber, MD	2002-2003
Bobby L. Limmer, MD	2001-2002
Marcelo Gandelman, MD	2000-2001
Daniel E. Rousso, MD	1999-2000
Sheldon S. Kabaker, MD	1998-1999
Russell Knudsen, MBBS	1997-1998
James E. Vogel, MD	1996-1997
Robert T. Leonard, Jr., DO	1995-1996
Paul M. Straub, MD	1994-1995
Dow B. Stough, MD	1993-1994

### Manfred Lucas Awardees:

Michael L. Beehner, MD	2007
Bobby L. Limmer, MD	2006
James Arnold, MD	2004
Walter P. Unger, MD	2003
Sheldon S. Kabaker, MD	2000
Richard C. Shiell, MBBS	1999
O 'Tar T. Norwood, MD	1998
Norman Orentreich, MD	1997

### Golden Follicle Awardees:

E. Antonio Mangubat, MD	2007
Mario Marzola, MBBS	2006
Ronald L. Shapiro, MD	2005
William R. Rassman, MD	2004
William M. Parsley, MD	2003
Matt L. Leavitt, DO	2002
David J. Seager, MD	2001
Russell Knudsen, MBBS	2000
Dow B. Stough, MD	1999
O 'Tar T. Norwood, MD	1998
Richard C. Shiell, MBBS	1997
James Arnold, MD	1996
Walter P. Unger, MD	1995
Patrick Frechet, MD	1994

### Platinum Follicle Awardees:

David Perez-Meza, MD	2007
Sungjoo "Tommy" Hwang, MD, PhD	2006
Walter Krugluger, MD, PhD	2005
Melvin L. Mayer, MD	2004
Jennifer H. Martinick, MBBS	2003
Gerard Seery, MD	2002
Robert M. Bernstein, MD	2001
Carlos O. Uebel, MD	2000
Michael L. Beehner, MD	1999
Marcelo Gandelman, MD	1998
Rolf Nordstrom, MD	1997
Bobby L. Limmer, MD	1996
Masumi Inaba, MD	1995
Jung Chul Kim, MD	1994

### Distinguished Assistant Awardees:

Betsy Shea, LPN	2007
MaryAnn Parsley, RN	2005
Helen Marzola, RGN	2004
Carol Rosanelli, RN, JD	2004
Marilynne Gillespie, RN	2003
Cheryl J. Pomerantz, RN	2003

### Advances in Hair Biology Lecturers:

Mike Philpott, PhD	<i>Comparing Dermal Papilla Cells from Balding versus Non-Balding Scalp</i>	2007
Ralf Paus, MD	<i>Controversies in Hair Molecular Biology</i>	2006
Satoshi Itami, MD	<i>Androgen Action in Human Hair Androgen Action in Human Hair Follicles</i>	2005
George Cotsarelis, MD	<i>Hair Follicle Stem Cells</i>	2004

### Norwood Lecturers:

Maria Siemionow, MD, PhD, DSc	<i>Immunology and Chimerisation of Scalp Allografts and Medical Immunosuppression</i>	2007
Maria Siemionow, MD, PhD, DSc	<i>Composite Total Face and Scalp Allograft Transplantation and The Impact of Ischemia Reperfusion Injury in Free Tissue Transfers</i>	2006

### Research Grant Recipients (Team Leaders Listed):

2007	Gholamali Abbasi, MD	2001	Jung Chul Kim, MD & Sungjoo "Tommy" Hwang, MD, PhD
	Jorge Gaviria, MD		
	Joseph F. Greco, PhD		
	Walter Krugluger, MD		
2006	Wyn Andrews, MD	2000	Michael L. Beehner, MD
	Jerry E. Cooley, MD		Melvin L. Mayer, MD
	Jerzy Kolasinski, MD, PhD	1999	Marco N. Barusco, MD
	David Perez-Meza, MD		John P. Cole, MD
2005	Sungjoo "Tommy" Hwang, MD, PhD		Jennifer H. Martinick, MBBS
	Walter Krugluger, MD, PhD		David Perez-Meza, MD
	David Perez-Meza, MD (x 2 grants)		Jerry Shapiro, MD
2004	Ergin Er, MD	1998	Robert S. Haber, MD
	Nilofer Farjo, MD		Guillermo Blugerman, MD
	Patrick Frechet, MD, Michael Beehner, MD, and Sharon Keene, MD	1997	Michael L. Beehner, MD
	Walter Krugluger, MD		Melvin L. Mayer, MD
	Melike Kuelahci, MD		William H. Reed, II, MD
	Thomas Nakatsui, MD	1996	Joseph Greco, PhD
2003	Joerg Hugeneck, MD & Walter Krugluger, MD		Rainer Sachse, MD
	Arthur Katona, MD		James M. Swinehart, MD
	Jennifer H. Martinick, MBBS		Ramon Vila-Rovira, MD
	David Perez-Meza, MD		Bradley R. Wolf, MD
2002	John P. Cole, MD	1995	Jerry E. Cooley, MD
	Jerry E. Cooley, MD		Thomas S. Potter, MD
	Joerg Hugeneck, MD		Edoardo Rapisio, MD
	Paul T. Rose, MD	1994	Robert S. Haber, MD
			Kenneth A. Kern, MD
			Jung Chul Kim, MD
			David Mobley, MD
			& Daniel E. Rousso, MD
			James E. Vogel, MD

### ISHRS Approved

#### Fellowship Training Directors/Programs:

Marc R. Avram, MD, New York, NY, USA  
Damkerng Pathomvanich, MD, Bangkok, Thailand  
Carlos J. Puig, DO, Houston, TX, USA  
Matt L. Leavitt, DO, Maitland, FL, USA, with Co-Directors:  
Melvin L. Mayer, MD & Robert P. Niedbalski, DO  
William R. Rassman, MD, Los Angeles, CA, USA  
William H. Reed, II, MD, La Jolla, CA, USA  
Daniel E. Rousso, MD, Birmingham, AL, USA  
Walter P. Unger, MD, Toronto, Ontario, Canada

## Advance Registration Fees

The general registration fee includes admittance to general scientific sessions, scientific poster displays, Exhibit Hall, continental breakfasts, refreshment breaks, Thursday lunch, the Welcome Reception and one program guide and abstract book. Workshops, extra courses, tours, and ticketed social events require additional fees. All fees are denoted in U.S. dollars (USD) unless otherwise indicated.

### PHYSICIAN CATEGORIES

#### Physician – ISHRS Member: \$1,090.00

For Physician members of the ISHRS.

#### Physician – Pending ISHRS Member: \$1,190.00

For physicians who have applied for membership. A complete application with fee must be received at the headquarters office to be eligible for this rate.

#### Physician – Non-Member: \$1,340.00

For physicians who are not current ISHRS members and have not submitted a complete application for membership must pay the non-member rate. Registration verification is required for all non-members and must accompany the registration form. Acceptable forms of verification for Non-Member Physicians include: a statement on the physician's letterhead, a copy of the physician's medical certificate or license, or, a letter from a current ISHRS physician member attesting to the credentials as a physician.

**\*Registration verification is required for all non-members and must accompany registration form.**

Acceptable forms of verification are as follows:

- For the Non-Member Physician: a statement on the physician's letterhead, a copy of the physician's medical certificate or license, or, a letter from a current ISHRS physician member attesting to the credentials as a physician.
- For the Non-Member Physician Resident: a letter of verification from the residency program director.
- For the Training Fellow: a letter of verification from the fellowship training program director.
- For the Non-Member Assistant, Office Staff, Office Manager, Clinic Director/Owner, Marketing/Media Consultant, Website Owner, Webmaster, and Spouse/Guest: a letter attesting to current employment by a physician on the physician's letterhead, or a letter from a current ISHRS physician member attesting to the credentials of the individual.

### RESIDENT CATEGORIES

#### Physician Resident or Training Fellow – ISHRS Member: \$520.00

For Resident Members of the ISHRS or for ISHRS Physician Members who are currently enrolled in an ISHRS-approved Fellowship Training Program or other approved fellowship training program in hair restoration surgery or another specialty. Training Fellows must submit a letter of verification from the fellowship training program director along with their registration form.

#### Physician Resident – Pending ISHRS Member: \$545.00

For physician residents who have applied for membership. A complete application with fee must be received at the headquarters office to be eligible for this rate.

#### Physician Resident or Training Fellow – Non-Member: \$570.00

For physician residents who are not current members of ISHRS and are currently participating in an approved residency training programs. Or, for non-member physicians who are currently enrolled in an ISHRS-approved Fellowship Training Program or other approved fellowship training program in hair restoration surgery or another specialty. Training Fellows must submit a letter of verification from the fellowship training program director along with their registration form. Non-member residents must submit a letter of verification from the residency program director along with their registration form.

### SURGICAL ASSISTANT CATEGORIES

#### Surgical Assistant – ISHRS Member: \$440.00

For members of the ISHRS Surgical Assistants Auxiliary.

#### Surgical Assistant – Pending ISHRS Member: \$520.00

For surgical assistants who have applied for membership. A complete application with fee must be received at the headquarters office to be eligible for this rate.

#### Surgical Assistant – Non-Member: \$620.00

For surgical assistants who are not current members of the ISHRS Surgical Assistants Auxiliary and have not submitted a complete application for membership must pay the non-member rate. Registration verification is required.\*

### OTHER CATEGORIES

#### Clinic Director/Owner: \$1,340.00

For non-physician clinic directors and/or owners of hair restoration practices. Registration verification is required.\*

#### Office Manager: \$620.00

For office managers of a hair restoration surgery practice. Registration verification is required.\*

#### Office Staff: \$620.00

For office staff in a hair restoration surgery practice. Registration verification is required.\*

#### Marketing/Media Consultant, Website Owner, Webmaster: \$1,340.00

For marketing, media, and PR consultants, website owners and webmasters. Registration verification is required.\*

#### Exhibitor

There is a separate application process for exhibiting companies and exhibit representatives. To review the Invitation to Exhibit, which includes the rules, regulations, guidelines, floorplan, and application, go to: <http://www.ishrs.org/16thAnnualMeeting.html>

#### Spouse/Guest: \$620.00

For a spouse or guest of the Physician or Surgical Assistant that does not belong in any of the above categories. The registered Spouse/Guest will receive a name badge and be admitted to the scientific general sessions, Exhibit Hall, coffee breaks, continental breakfasts, Thursday lunch, and Welcome Reception. Registration verification is required.\* Spouses/guests who are not registered will not be permitted into these listed functions (except for the Welcome Reception) and will not receive a name badge.

### WEDNESDAY DAY PASSES

#### Physician, Resident, Clinic Director/Owner, Marketing/Media Consultant, Website Owner, or Webmaster - Wednesday Day Pass: \$350.00

For physicians, residents, clinic director/owners, or marketing/media consultants, website owners or webmasters who only plan to participate in meeting activities on Wednesday/September 3, 2008. In addition to the daily registration pass, registration fees are required to attend the Basics Course, Board Review Course, and/or BLS & CPR Recertification Course. The Wednesday Day Pass includes the meeting program and abstract book. Day passes will NOT be sold or honored for Thursday, Friday, Saturday, or Sunday.

#### Surgical Assistant/Ancillary Staff - Wednesday Day Pass: \$150.00

For surgical assistants and other ancillary staff who only plan to participate in meeting activities on Wednesday/September 3, 2008. Additional registration fees are required for extra course on Wednesday. The Wednesday Day Pass includes the meeting program and abstract book. Day passes will NOT be sold or honored for Thursday, Friday, Saturday, or Sunday.

## Advance Registration Deadline: August 4, 2008

Registrations received after this date are not eligible for the Advance Registration Fees. Post-deadline registrations including those received onsite will be assessed a \$75.00 late fee and will be processed onsite. If you submit your registration after August 4 you are not considered "Advance Registered" and will not be listed in the attendee roster.

# ABOUT THE ISHRS

**The International Society of Hair Restoration Surgery is a non-profit medical association composed of more than 650 physicians and surgeons and 150 surgical assistants who specialize in hair restoration.**

Since its incorporation in 1993, a renaissance in hair transplantation surgery was set into motion by the ISHRS. The multidisciplinary, international membership of the ISHRS became a critical mass for an explosion of innovation in hair transplantation surgery. The Annual Meeting is a highlight of the year in which the top minds in HRS come together to **advance the art and science of hair restoration surgery!**

#### **Not a member of the ISHRS?**

**Considering joining.**

**Go to [www.ISHRS.org](http://www.ISHRS.org) for your member application.**

#### **Benefits of ISHRS membership include:**

- Reduced registration fees for ISHRS annual meetings, live surgery workshops, online webinars, and other training programs
- Subscription to the bi-monthly newsletter, **Hair Transplant Forum International**
- Access to the **Online Forum Article Archives Database Search**
- Subscription to the peer-reviewed journal, **Dermatologic Surgery** (physicians, adjunct, and residents only)
- Opportunities to earn continuing medical education (CME) credits – AMA PRA Category 1 Credits™ and AAD Category 1 CME Credits
- Eligibility for research grants
- **[www.ISHRS.org](http://www.ISHRS.org)** - A comprehensive informational website on hair loss and restoration. Free listing with Physician Profile for physician members. Free downloadable patient brochure on HRS in multiple languages.
- **Ask the Experts** program - mechanism for members to ask questions and seek advice from other members
- **Unified public relations** effort to increase the public's perception and awareness of hair restoration surgery
- A team of leaders, volunteers, and staff dedicated to making the ISHRS a valuable resource for the profession.

## **ISHRS and IHRF to Offer 2009 Joint Research Grant in the Amount of \$10,000**

The International Society of Hair Restoration Surgery is pleased to announce its partnership with the International Hair Research Foundation for purposes of furthering research in the field of trichology.

The ISHRS and IHRF will provide an annual grant in the amount of \$10,000 to one worthy proposal for a research project. A special subcommittee of the ISHRS Scientific, Research, Grants and Awards Committee will review all submissions on set criteria and make the annual selection. The grant recipient will be announced at the ISHRS's annual scientific meeting. Applications will be available in January for the 2009 research grant. Go to: [www.ishrs.org](http://www.ishrs.org)

If you have an idea for a cutting edge research protocol to further field, we encourage you to consider applying for this grant!

Sponsored by the International Society of Hair Restoration Surgery

The refreshed site will go live in late 2008 – check it out!

## The ISHRS Website Is Getting a Make Over

The ISHRS Website Committee has been hard at work enhancing our Society's site. The number of visitors is increasing each month as a direct result of our marketing campaign and greater awareness of [www.ISHRS.org](http://www.ISHRS.org).

The ISHRS website is the leading unbiased, peer-reviewed site on hair loss and restoration. It is a tremendous resource for patients and physicians. There is a large bank of educational articles for patients on the many aspects of HRS.

The Find a Doctor database search has been enhanced to allow patients to search by a variety of variables including geographic region, doctor's last name, and technique/procedure. Physician members can now easily edit their Physician Profile via an administrative interface in the Members Only section of site.

Enhanced Patient Stories section. The Patient Stories page is one of the most popular sections visited. We encourage you to talk with your patients about submitting their hair loss and restoration stories and before and after photos. You will be listed as their surgeon with a link to your Physician Profile page.

Media Center – A section of our website devoted specifically to the media which will include the latest statistics and trends in HRS, information about the ISHRS, and press releases.

The Calendar of Events is a valuable resource that lists hair meetings around the world. Visit the Educational Offerings section which includes information on the Annual Meeting, Regional Workshops, online Webinars, enduring materials, and more.

### The Members Only Section

includes information about our Regional Workshops Program, Research Grants program, lists of past award winners, Member Recognition program, information about fellowship opportunities, ISHRS position papers, and the Bylaws and Code of Ethics. It includes expertly written content in an easy to access Word format that as a member you are eligible to use for your patient pamphlets and website.

**The Members Only section** also includes a searchable database of members of the Surgical Assistants Auxiliary, the ISHRS Members Only logo reserved exclusively for members of the ISHRS, the latest Membership Directory as a PDF, access to discounts for textbooks, access to the interface to edit or add your Physician Profile, and more.

**The Forum Online Archives** – A searchable database of articles from past and current issues of the Hair Transplant Forum International. Search by author, keyword, volume, category, or a combination of the above. Past issues are also available here as PDFs.

**Ask the Experts** – A feature whereby members can ask their "expert" colleagues questions via e-mail about various hair restoration surgery topics and cases.

### What can you do to help promote [www.ISHRS.org](http://www.ISHRS.org)?

In order to better promote our profession, it is important to increase our visibility on the Web and with the search engines, including that of the ISHRS website. One easy way of increasing our visibility on the Web is by placing a search-relevant text link on your website.

You are encouraged to add a link on your website to the ISHRS website. For those of you that already have such a link, you are encouraged to update the ISHRS link to be more "search-relevant", which means using words in the clickable part of the link that are relevant to our industry.

### How to Link to the ISHRS Website Effectively

To make it easy for you, go to <http://www.ishrs.org/ishrs-links.htm#link-to-us>, select the link you want to place on your site, and then ask your webmaster to copy-and-paste the applicable link code to your web page. This will take visitors to the home page of the ISHRS website.
